

1911 FULL-LENGTH GUIDE ROD WITH PLUG - NIGHTHAWK CUSTOM GOVT. FL GUIDE ROD W/PLUG

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Spring Guide Rods](#)

Robust, One-Piece Rod Prevents Recoil Spring Bind

High-quality, one-piece guide rod with matching, correct-size guide plug aids in smooth, reliable cycling by completely capturing recoil spring to prevent it from binding or deforming. Also adds extra weight up front to reduce muzzle flip for improved control and fast follow-up shots. Machined from solid stainless steel, with no threads to work loose or through hole to compromise strength. Flat face provides a snug fit and aids in proper positioning of recoil buffers.

Safety Instruction Guide for 1911 FullLength Guide Rod with Plug

Introduction

Thank you for choosing the 1911 FullLength Guide Rod with Plug from Nighthawk Custom. This product is designed to enhance the performance of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand the proper usage, installation, and disposal of the guide rod.

General Safety Guidelines

- Always treat your firearm as if it is loaded, even if you believe it is not.
- Ensure you are in a safe environment when handling your firearm.
- Keep the guide rod out of reach of children and unauthorized users.
- Regularly inspect the guide rod and your firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installing or removing the guide rod.
- Use the guide rod only with compatible models (Government and Commander).
- Avoid using the guide rod if it shows signs of damage or deformation.
- Do not attempt to modify the guide rod or firearm without professional assistance.
- Always wear appropriate eye and ear protection when using your firearm.
- Be aware of your surroundings and ensure a safe backdrop when firing.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Confirm that your firearm is unloaded and pointed in a safe direction.
2. **Remove the Old Guide Rod:** Disassemble the firearm according to the manufacturer's instructions. Remove the existing guide rod and recoil spring.
3. **Install the New Guide Rod:**
 - Insert the new guide rod into the recoil spring tunnel.
 - Ensure that the guide rod is seated properly and that the matching guide plug is in place.
4. **Reassemble the Firearm:** Follow the manufacturer's instructions to reassemble your firearm, ensuring that all parts are correctly fitted and secured.
5. **Test Functionality:** Perform a function check to ensure that the guide rod operates smoothly with the recoil spring.

Usage

- After installation, ensure the guide rod is functioning correctly before use.
- Regularly inspect the guide rod during maintenance checks.
- If you experience any issues during operation, cease use immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of the guide rod according to local regulations for metal recycling.
- Ensure that the guide rod is rendered unusable before disposal to prevent accidental use.

Contact Information for Further Support

For any questions or concerns regarding the use of the 1911 FullLength Guide Rod with Plug, please contact the manufacturer or a qualified firearms expert. Ensure that you have the product information and details of your inquiry ready for efficient assistance.

By following these guidelines, you can ensure the safe and effective use of your 1911 FullLength Guide Rod with Plug. Thank you for prioritizing safety and compliance with relevant regulations.
