1911 Recoil Spring Plug Nighthawk Custom

Safety Instructions

Introduction

Thank you for purchasing the 1911 Recoil Spring Plug from Nighthawk Custom. This guide provides essential safety instructions and information regarding the proper use, installation, and disposal of the recoil spring plug. Please read this document carefully to ensure safe and effective use of your product.

General Safety Guidelines

- Ensure that the product is compatible with your firearm model (1911 Government or Commander).
- Always handle your firearm with care, following all safety protocols.
- Keep the recoil spring plug out of reach of children and vulnerable individuals.
- Regularly inspect the recoil spring plug for wear or damage before use.
- If you experience any issues with the recoil spring plug, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Only use the recoil spring plug for its intended purpose, which is to secure the recoil spring in 1911style firearms.
- Avoid using excessive force when installing or removing the recoil spring plug to prevent damage to the firearm or the plug itself.
- When field stripping your firearm, be cautious not to lose the recoil spring plug, as it is essential for the firearm's operation.
- Always wear appropriate eye protection when handling firearms or performing maintenance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the old recoil spring plug if applicable, following the manufacturer's guidelines.
- Insert the new recoil spring plug into the recoil spring housing, ensuring it is seated properly.
- Confirm that it is secure and does not move freely.

2. Usage:

- Regularly check the recoil spring plug for any signs of wear, such as cracks or deformation.
- If you notice any damage, replace the recoil spring plug immediately to avoid potential malfunction.
- Always ensure that the recoil spring plug is in place before using the firearm.

Disposal Instructions

- Dispose of the recoil spring plug responsibly.
- Follow local regulations for the disposal of metal products.
- If the recoil spring plug is damaged or no longer usable, consider recycling it at a local metal recycling facility.

Contact Information for Further Support

For any questions or concerns regarding the 1911 Recoil Spring Plug, please refer to the manufacturer's contact information provided with your product. Ensure you have the product details ready for a more efficient response.

By following these guidelines, you can ensure safe and effective use of your 1911 Recoil Spring Plug. Thank you for prioritizing safety and responsibility while handling your firearm.
