

1911 MAGAZINE RELEASE LOCK & SPRING - NIGHTHAWK CUSTOM

1911 MAGAZINE RELEASE LOCK & SPRING

[Handgun Parts](#) > [Frame Parts](#) > [Magazine Release Parts](#) > [Magazine Releases](#)

Extra Length For Faster Engagement

Tough, hardened steel mag release is approximately 1/16" longer than Colt-spec part to help you reach the button more quickly and provide extra leverage for fast, positive mag changes when fractions of a second count. Deeply serrated face ensures non-slip thumb contact, yet won't snag on holster, clothing, or other gear. Use with Nighthawk Magazine Catch Lock and Spring Kit, available separately.

Attributes

- Name: [NIGHTHAWK CUSTOM 1911 MAGAZINE RELEASE LOCK & SPRING](#)

Safety Instruction Guide for 1911 Magazine Release Lock & Spring

Introduction

Thank you for choosing the Nighthawk Custom 1911 Magazine Release Lock & Spring. This product is designed to enhance your magazine release experience with improved ergonomics and functionality. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always handle firearms safely and responsibly.
- Ensure that the firearm is unloaded before installing or adjusting any components.
- Use this product only with compatible models: Government, Commander, and Officers.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the magazine release lock and spring for wear and damage.

Specific Safety Precautions for Use

- Ensure that your hands are dry and clean when operating the magazine release to prevent slipping.
- Avoid using excessive force when pressing the magazine release button.
- Do not modify the magazine release lock and spring beyond the manufacturer's specifications.
- Be aware of your surroundings when using the firearm, especially in crowded or confined spaces.
- If you experience any difficulty or unusual resistance during operation, stop using the product immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that the firearm is unloaded. Remove the magazine and check the chamber.
2. **Remove Old Components:** If replacing an existing magazine release lock and spring, carefully disassemble the current components according to your firearm's manual.
3. **Install the New Magazine Release Lock:**
 - Align the new magazine release lock with the designated area on the firearm.
 - Gently press the lock into place until it is secure.
4. **Insert the Spring:** Position the spring correctly as per your firearm's specifications.
5. **Test the Mechanism:** After installation, press the magazine release button to ensure it operates smoothly without obstruction.

Usage

- To release the magazine, press the magazine release button firmly with your thumb.
- Ensure that the magazine is clear of any obstructions before attempting to reload.
- Practice magazine changes in a safe environment to become familiar with the new release mechanism.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm parts and accessories.
- Do not throw away the product in regular household waste. Instead, consider recycling options for metal components if available.

Contact Information for Further Support

For any questions or concerns regarding the 1911 Magazine Release Lock & Spring, please refer to the manufacturer's website or contact their customer service directly. Ensure that you have your product details ready for a quicker response.

Note: This guide is intended to provide essential safety information and operational instructions. Always prioritize safety and compliance with applicable laws when using firearms and their components.
