

# 1911 SPRING KITS - NIGHTHAWK CUSTOM COMMANDER MODEL SPRING KIT

[Handgun Parts](#) > [Action Parts](#) > [Spring Kits](#)

## High Quality Springs For Smooth, Reliable Function

High-quality replacement springs ensure reliable performance from your pistol, including proper feeding, positive ejection, and minimal battering of frame and slide. Replace fatigued springs to return a gun to consistent, dependable function or use as components in a custom build. Pistolsmiths recommend changing springs regularly as part of a positive preventive maintenance program. Kits include two standard weight recoil springs, an extra power recoil spring for hot or +P loads, extra power firing pin spring for positive ignition, and reduced power hammer spring.

# Safety Instruction Guide for 1911 SPRING KITS NIGHTHAWK CUSTOM COMMANDER MODEL SPRING KIT

## Introduction

Thank you for choosing the 1911 SPRING KITS NIGHTHAWK CUSTOM COMMANDER MODEL SPRING KIT. This guide provides essential safety instructions to ensure the safe use and handling of your spring kit. Please read this guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that all nonfood products, including this spring kit, are used safely and in accordance with the guidelines provided.
- Be aware that this product may contain risks not covered by other EU laws.
- If you purchase this product online, you are entitled to the same safety protections as if you bought it in a physical store.
- Extra precautions are recommended for vulnerable groups, such as children. Keep all components out of reach of children.
- For any safety inquiries, refer to the designated EU contact point for this product.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay updated on product recalls and safety notices via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always handle springs with care to avoid injury. Springs can snap back and cause harm if not managed properly.
- Wear safety glasses and gloves when installing or replacing springs to protect your eyes and hands.
- Ensure the firearm is unloaded before beginning any installation or maintenance work.
- Do not modify the springs or any components of the spring kit, as this can lead to malfunctions or safety hazards.
- If you are unsure about any step in the installation process, seek assistance from a qualified gunsmith.
- Regularly inspect the springs for wear and damage. Replace any fatigued springs immediately to maintain safe operation.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have a clean, welllit workspace.
- Gather all necessary tools and equipment, including safety glasses and gloves.

### 2. Disassembly of the Firearm:

- Unload the firearm completely.
- Follow the manufacturer's instructions to disassemble the firearm as required for spring replacement.

### 3. Removing Old Springs:

- Carefully remove the old springs from the firearm.
- Dispose of old springs in accordance with local regulations.

#### **4. Installing New Springs:**

- Identify the correct springs included in the kit:
  - Two standard weight recoil springs
  - One extra power recoil spring (for hot or +P loads)
  - One extra power firing pin spring
  - One reduced power hammer spring
- Install the new springs in the same locations as the old springs, ensuring they are seated properly.

#### **5. Reassembly of the Firearm:**

- Follow the manufacturer's instructions to reassemble the firearm carefully.
- Ensure all components are secure and functioning correctly.

#### **6. Final Inspection:**

- Conduct a thorough inspection of the firearm to ensure all parts are in place and functioning.
- Test the firearm in a safe environment to confirm proper operation.

## **Disposal Instructions**

- Dispose of any old springs and packaging materials in accordance with local waste disposal regulations.
- Do not dispose of springs in a manner that could pose a risk to others or the environment.

## **Contact Information for Further Support**

For any questions or concerns regarding the 1911 SPRING KITS NIGHTHAWK CUSTOM COMMANDER MODEL SPRING KIT, please refer to the designated EU contact point for assistance.

By following these safety instructions, you can ensure the safe and effective use of your spring kit. Thank you for your attention to safety, and enjoy your product!
