

1911 HAMMER - NIGHTHAWK CUSTOM 1911 HAMMER, BLUED

[Handgun Parts](#) > [Trigger Group Parts](#) > [Hammer Parts](#) > [Hammers](#)

Machine & Hardened To Hold Dimensions & Resist Wear

Match-grade hammer is machined from solid tool steel bar stock, then hardened to hold precise dimensions and stand up to many thousands of rounds without wear. Hammer was designed exclusively for Nighthawk by noted 1911 'smith Bob Marvel, with precision-cut hooks and pin hole to ensure a correct fit. A large, oval cutout in the spur keep weight to a minimum, and crisp serrations prevent slippage when cocking or uncocking. Engagement surface is ready for final grinding and polishing to ensure a clean, reliable letoff. Gunsmith fitting required for proper function and safety.

Attributes

- Name: [NIGHTHAWK CUSTOM 1911 HAMMER, BLUED](#)
- Manufacturer: [NIGHTHAWK CUSTOM](#)
- Product no.: 100003268

Safety Instruction Guide for 1911 Hammer Nighthawk Custom

Introduction

Thank you for choosing the 1911 Hammer Nighthawk Custom. This guide provides essential safety information and instructions to ensure proper use and maintenance of your product. Please read this guide carefully before use to ensure safety and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat the hammer as if it is loaded.
- Ensure that the hammer is installed correctly to prevent malfunction.
- Keep the hammer and all firearms out of reach of children and unauthorized users.
- Regularly inspect the hammer for wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about recalls or safety notices through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the hammer only with compatible 1911 models: Government, Commander, and Officers.
- Ensure that gunsmith fitting is performed for proper function and safety.
- Avoid using excessive force when cocking or uncocking to prevent slippage.
- Always wear appropriate eye protection when handling firearms.
- Do not modify the hammer or any associated parts without consulting a qualified gunsmith.
- Ensure that you are familiar with the operation of your firearm before use.

Instructions for Installation and Usage

1. Installation

- Consult a qualified gunsmith for the installation of the hammer to ensure proper fitting.
- Verify that the engagement surface is ready for final grinding and polishing.
- Check that the precisioncut hooks and pin hole fit correctly.

2. Usage

- Before using the hammer, ensure that the firearm is unloaded.
- When cocking the hammer, hold the firearm securely to prevent movement.
- To uncock the hammer, do so slowly and with control to avoid accidental discharge.
- After use, clean and inspect the hammer and firearm for any signs of wear or damage.

Disposal Instructions

- Dispose of the hammer and any associated parts in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Contact local authorities for information on proper disposal methods for firearms and related components.

Contact Information for Further Support

For any inquiries or concerns regarding the safety of the 1911 Hammer Nighthawk Custom, please reach out to

your local dealer or consult a qualified gunsmith. Always prioritize safety and compliance with local laws when handling firearms.

Thank you for ensuring safe practices while using your 1911 Hammer Nighthawk Custom.
