

# 1911 BARREL LINKS - NIGHTHAWK CUSTOM BARREL LINK KIT

[Handgun Parts](#) > [Barrel Parts](#) > [Barrel Link Parts](#) > [Barrel Links](#)

## Choose From Five Sizes For Most Precise Lockup

Fully machined from solid 416 stainless steel, these premium-quality links are critical for ensuring you have the precise amount of vertical lockup needed for best accuracy from your pistol. Available in nominal Colt spec .278" between the centers of the holes, with two oversized and two undersized models in .005" increments. Available in a set of all five. Perfect for fine-tuning the lockup of a Nighthawk Match Grade Barrel.

# Safety Instruction Guide for 1911 Barrel Links Nighthawk Custom Barrel Link Kit

## Introduction

Thank you for choosing the 1911 Barrel Links Nighthawk Custom Barrel Link Kit. This product is designed to enhance the accuracy and performance of your pistol. It is essential to follow the safety instructions outlined in this guide to ensure safe and effective use. This guide complies with the EU General Product Safety Regulation (GPSR) to ensure your safety and satisfaction.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as specified in this guide.
- Always handle firearms and related accessories with care and respect.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear before use.
- If you notice any defects, do not use the product and contact the manufacturer immediately.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate eye protection when handling or installing barrel links.
- Ensure the firearm is unloaded before attempting to install or adjust the barrel links.
- Follow all manufacturer instructions for your specific firearm model.
- Use only the recommended tools to install the barrel links to prevent injury or damage.
- Do not modify the barrel links or use them in a manner not specified by the manufacturer.
- Be aware of the potential hazards associated with improper installation, including misfires or malfunctions.

## Instructions for Installation and Usage

### • Preparation:

- Gather all necessary tools, including a punch tool and a hammer.
- Ensure your workspace is clean and free from distractions.

### • Installation Steps:

1. Ensure the firearm is completely unloaded and safe to work on.
2. Remove the existing barrel links from the firearm using the punch tool.
3. Select the appropriate barrel link size based on your specific needs (oversized or undersized).
4. Align the new barrel link with the holes on the barrel and frame.
5. Use the punch tool to carefully insert the new barrel link, ensuring it is seated correctly.
6. Repeat the process for any additional links as required.
7. Once all links are installed, check for proper movement and fit.

### • Post Installation:

- Conduct a function check of the firearm to ensure all components are operating correctly.
- Store the firearm in a safe location when not in use.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the barrel links become damaged or unusable, dispose of them responsibly and in line with local waste management guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the 1911 Barrel Links Nighthawk Custom Barrel Link Kit, please refer to the manufacturer's website or contact their customer support for assistance. Ensure that you have the product details ready to facilitate a quick response.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy the enhanced performance of your firearm with the Nighthawk Custom Barrel Link Kit.
