

# O-RING CLEANING JAGS - TCS 12 GA. CLEANING JAG

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

## Increases Patch Pressure On Bore For Improved Cleaning Action

Solid aluminum jags with rubber O-rings are ideal for cleaning the bore of your gun without worrying about damaging the rifling. O-rings press patch firmly into bore surface for efficient cleaning action on powder, lead, copper, and plastic fouling. For use with patches, steel wool, and bronze wool. Shotgun and Black Powder jags are color coded; Rifle/Handgun jags are numbered for easy identification. In order to use TCS Manufacturing jags, you must use round patches that are .015" thick.

# ORING CLEANING JAGS TCS 12 GA. CLEANING JAG Safety Instruction Guide

## Introduction

Thank you for choosing the ORING CLEANING JAGS TCS 12 GA. CLEANING JAG. This product is designed to help you clean the bore of your gun effectively while ensuring the safety of both the user and the firearm. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that the cleaning jag is used only for its intended purpose, which is cleaning the bore of firearms.
- Always follow the manufacturer's instructions and guidelines for safe use.
- Keep the cleaning jag out of reach of children and vulnerable individuals to prevent accidents.
- Regularly check the cleaning jag for any signs of damage or wear. Do not use if damaged.
- Use only compatible cleaning patches that are .015" thick as specified by the manufacturer.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before cleaning.
- Use the cleaning jag in a wellventilated area to avoid inhaling any cleaning residues.
- Wear safety goggles to protect your eyes from any debris or cleaning solvents.
- Avoid using excessive force when inserting or removing the cleaning jag to prevent damage to the firearm's bore.
- Do not use the cleaning jag if you are unfamiliar with firearm maintenance. Seek assistance from a qualified professional if needed.
- Store the cleaning jag in a safe place after use to prevent accidents.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the ORING CLEANING JAG, cleaning patches, and any cleaning solvents you intend to use.

### 2. Inserting the Cleaning Jag:

- Attach the cleaning jag to the cleaning rod by screwing it onto the male threads. Ensure it is securely fastened.
- Select a cleaning patch that is .015" thick and place it over the opening of the cleaning jag.

### 3. Cleaning the Bore:

- Insert the cleaning jag into the bore gently. The Orings will press the patch firmly against the bore surface, ensuring efficient cleaning.
- Pull the cleaning jag through the bore with a steady motion. Avoid jerking or sudden movements.
- Repeat the process as necessary, using fresh patches as needed to remove fouling.

### 4. PostCleaning:

- After cleaning, remove the cleaning jag from the bore carefully.
- Clean the jag and any other cleaning tools used with appropriate cleaning solvents.
- Store the cleaning jag in a safe and dry place.

## **Disposal Instructions**

- Dispose of used cleaning patches and any cleaning solvents according to local regulations.
- Do not dispose of cleaning jags in regular household waste if they are damaged. Follow local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the ORING CLEANING JAGS TCS 12 GA. CLEANING JAG, please refer to the manufacturer's website or customer service for assistance. Ensure to have your product information ready for quicker support.

By following these safety instructions, you can ensure a safer and more effective cleaning experience with your ORING CLEANING JAGS TCS 12 GA. CLEANING JAG. Thank you for prioritizing safety while maintaining your firearm.
