

O-RING CLEANING JAGS - TCS .50 CAL. BP CLEANING JAG

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

Increases Patch Pressure On Bore For Improved Cleaning Action

Solid aluminum jags with rubber O-rings are ideal for cleaning the bore of your gun without worrying about damaging the rifling. O-rings press patch firmly into bore surface for efficient cleaning action on powder, lead, copper, and plastic fouling. For use with patches, steel wool, and bronze wool. Shotgun and Black Powder jags are color coded; Rifle/Handgun jags are numbered for easy identification. In order to use TCS Manufacturing jags, you must use round patches that are .015" thick.

ORING CLEANING JAGS TCS .50 CAL. BP CLEANING JAG Safety Instruction Guide

Introduction

Thank you for choosing the ORING CLEANING JAGS TCS .50 CAL. BP CLEANING JAG. This product is designed for effective cleaning of your firearm's bore while protecting the rifling. To ensure your safety and the proper use of this product, please read and follow the guidelines outlined in this document.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the cleaning jags by following all instructions.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product.
- **Online Shopping Protections:** If purchased online, ensure the seller complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach.
- **EU Contact Point:** For safety inquiries, refer to your local EU contact point.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **Use Appropriate Patches:** Only use round patches that are .015" thick with the cleaning jags to avoid damage.
- **Avoid Damage to Firearm:** Do not force the jags into the bore. Ensure a proper fit to prevent damage.
- **Inspect Before Use:** Always inspect the jags for any signs of wear or damage before use.
- **Handle with Care:** Use caution when handling cleaning jags to avoid injury.
- **Proper Storage:** Store the jags in a dry place, away from children and pets.

Instructions for Installation and Usage

1. Prepare Your Workspace:

- Ensure you are in a clean, welllit area.
- Keep all cleaning materials organized and within reach.

2. Assemble the Cleaning Jag:

- Select the appropriate jag for your firearm.
- Attach the jag to the cleaning rod by screwing it onto the male threads (832 tpi or 1032 tpi for .50 BP).

3. Prepare the Cleaning Patch:

- Use a round patch that is .015" thick.
- Moisten the patch with your preferred cleaning solution.

4. Insert the Patch:

- Place the moistened patch onto the jag.
- Ensure the rubber Orings press the patch firmly into the bore surface.

5. Clean the Bore:

- Insert the jag into the bore gently.

- Pull the jag through the bore in a smooth motion.
- Repeat as necessary to achieve desired cleanliness.

6. PostCleaning:

- Remove the jag and patch from the bore.
- Dispose of the used patch and clean the jag as needed.

Disposal Instructions

- Dispose of used cleaning patches and any contaminated materials in accordance with local regulations.
- Do not dispose of cleaning jags in regular household waste. Follow local guidelines for metal recycling or disposal.

Contact Information for Further Support

For any questions or concerns regarding the ORING CLEANING JAGS TCS .50 CAL. BP CLEANING JAG, please refer to the manufacturer's contact information provided with your product. Ensure you have your product details ready for assistance.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your ORING CLEANING JAGS TCS .50 CAL. BP CLEANING JAG. Thank you for prioritizing safety!
