

# AR-15 KX3 FLASH SUPPRESSOR 22 CALIBER - NOVESKE RIFLEWORKS KX3 FLASH SUPPRESSOR 22 CALIBER 1/2-28 STEEL PHOSPHATE

[Rifle Parts](#) > [Muzzle Devices](#) > [Flash Hiders](#)

## Reduces Muzzle Flash & Protects Nearby Personnel From Side Blast

Unique design redirects concussion forward to provide better flash suppression than standard A2 suppressor on short-barreled AR-15/M16/M4 rifles and other centerfire gas-operated weapons. Virtually eliminates side blast to protect nearby personnel during CQB, building entries, and when shooting from inside vehicles. Lessens felt recoil and reduces muzzle rise to help keep sights on the target for fast follow up shots and superior recoil management on full-auto assault rifles, especially with barrels 13" or shorter. High-carbon steel with matte black manganese phosphate finish stands up to the heat and pressure of thousands of rounds. Convenient,  $\frac{3}{4}$ " wrench flats allow easy installation with the same wrench used to remove factory flash suppressor. Crush washer included. Each unit individually serial numbered for quality control.

## Attributes

- Name: [NOVESKE RIFLEWORKS KX3 FLASH SUPPRESSOR 22 CALIBER 1/2-28 STEEL PHOSPHATE](#)
- Manufacturer: [NOVESKE RIFLEWORKS](#)
- Product no.: 100003335
- Mfr. No.: 05000517
- Caliber: 22 Caliber (.223-.224)
- Finish: Phosphate
- Material: Steel
- Size: 1.343
- Threads: 1/2-28
- Weapon type: AR-15
- Delivery weight: 0.204kg
- Shipping height: 5mm
- Shipping width: 89mm
- Shipping length: 175mm
- UPC: 840906103715

# Safety Instruction Guide for AR15 KX3 Flash Suppressor 22 Caliber

## Introduction

Thank you for choosing the AR15 KX3 Flash Suppressor 22 Caliber by Noveske Rifleworks. This product is designed to enhance the performance of your firearm while ensuring safety during use. Please read this guide carefully to understand the necessary safety precautions and installation instructions.

## General Safety Guidelines

- Always treat the suppressor as if it is loaded, even when not in use.
- Keep the suppressor and firearm out of reach of children and unauthorized users.
- Use the suppressor only with compatible firearms as specified in the product description.
- Never modify the suppressor or use it in ways not intended by the manufacturer.
- Inspect the suppressor regularly for signs of wear or damage.
- Always wear appropriate eye and ear protection when firing a weapon equipped with a suppressor.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attaching or detaching the suppressor.
- Verify that the muzzle threads of your firearm match the suppressor's 1/2"28 specification.
- Be aware of the potential for increased back pressure and adjust your shooting technique accordingly.
- Avoid using the suppressor in extreme temperatures to prevent material failure.
- Do not exceed the recommended rate of fire, especially with shortbarreled rifles, to prevent overheating.
- Always be mindful of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools, including a 3/4" wrench.

### 2. Installation:

- Remove the factory flash suppressor using the wrench.
- Clean the muzzle threads of your firearm to remove any debris.
- Align the suppressor with the muzzle threads and handtighten it.
- Use the wrench to securely tighten the suppressor, ensuring it is firmly in place.
- Install the included crush washer for optimal fit.

### 3. Usage:

- When firing, maintain a firm grip on your firearm.
- Monitor the suppressor for heat buildup during extended shooting sessions.
- After use, allow the suppressor to cool before handling.

### 4. PostUse Care:

- Clean the suppressor according to the manufacturer's instructions.

- Store the suppressor in a safe and dry place when not in use.

## **Disposal Instructions**

- Dispose of the suppressor according to local regulations.
- Do not throw the suppressor in regular household waste.
- If the suppressor is damaged or no longer usable, contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use or safety of the AR15 KX3 Flash Suppressor, please refer to the manufacturer's contact points or your local firearms authority for guidance. Always ensure that you are following local laws and regulations regarding firearm accessories.

Thank you for your attention to these safety instructions. Enjoy your shooting experience responsibly.
