

MIL-COMM WEAPONS GREASE - MIL-COMM PRODUCTS COMPANY

TW25B GREASE 4 OZ. TUBE

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Superior Cleaning & Lubrication For Extreme-Use Weapons

Proven performance in extreme temperatures and on a wide variety of weapon types has earned these PTFE-based synthetic lubricants the approval of the U.S. Military, defense contractors and foreign militaries. Specially formulated lubricants minimize the accumulation of sand, dust and powder fouling to keep your firearms in fire-ready condition. Provide superior corrosion protection for all firearm metals in all types of environments. TW25B Grease is available in a re-sealable syringe or squeeze tubes and is recommended for heavy wear parts, exposed areas, and for bore protection. MC25 Cleaner Degreaser is available in a pump spray bottle and breaks down gun lubricants and burnt-in powder residue on contact with a non-acidic, non-toxic, water-based formula.

Attributes

- Name: [MIL-COMM PRODUCTS COMPANY TW25B GREASE 4 OZ. TUBE](#)
- Manufacturer: [MIL-COMM PRODUCTS COMPANY](#)
- Product no.: 100003337
- Mfr. No.: 25241
- Size: 4 oz
- Delivery weight: 0.181kg
- Shipping height: 46mm
- Shipping width: 46mm

MILCOMM WEAPONS GREASE Safety Instruction Guide

Introduction

Thank you for choosing MILCOMM WEAPONS GREASE. This guide provides essential safety instructions to ensure the safe use of this product. Please read this document carefully to understand how to use, store, and dispose of the grease safely.

General Safety Guidelines

- Always store the product in a cool, dry place away from direct sunlight.
- Keep out of reach of children and pets to avoid accidental ingestion.
- Use personal protective equipment (PPE) such as gloves and safety goggles when handling the product.
- Ensure proper ventilation when using the product to avoid inhalation of fumes.
- Do not mix with other chemicals or products unless specified by the manufacturer.
- Check for any visible damage to the packaging before use. Do not use if the packaging is compromised.

Specific Safety Precautions for Use

- **Fire Hazard:** This product may be flammable. Keep away from open flames and high heat sources.
- **Skin Contact:** In case of skin contact, wash the affected area with soap and water. Seek medical attention if irritation persists.
- **Eye Contact:** If the product comes into contact with eyes, rinse immediately with plenty of water and seek medical advice.
- **Inhalation:** Avoid inhaling vapors. If symptoms such as dizziness or respiratory distress occur, move to fresh air and seek medical attention if necessary.
- **Environmental Safety:** Avoid releasing the product into the environment. Dispose of it properly as outlined in the Disposal Instructions section.

Instructions for Installation and Usage

1. Preparation:

- Ensure the area is clean and free from dust and debris.
- Wear appropriate PPE before handling the grease.

2. Application:

- For heavy wear parts and exposed areas, apply a small amount of TW25B Grease directly from the syringe or tube.
- For bore protection, ensure a thin, even layer is applied inside the bore.
- Allow the grease to settle and penetrate before reassembling any firearm components.

3. Cleaning:

- Use MC25 Cleaner Degreaser to clean any excess grease or fouling. Spray directly onto the affected area and wipe clean with a cloth.
- Ensure that all residues are removed before the next application.

4. Storage:

- After use, reseal the syringe or tube tightly to prevent contamination.

- Store in an upright position in a cool, dry place.

Disposal Instructions

- Dispose of any unused product or empty containers in accordance with local regulations.
- Do not dispose of the product in household waste or down the drain.
- Contact your local waste disposal authority for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional information regarding this product, please refer to the contact details provided on the product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of MILCOMM WEAPONS GREASE. Always prioritize safety and proper handling to maintain the integrity of the product and your equipment. Thank you for your attention to these guidelines.
