

STORM SINGLE-POINT TACTICAL SLING - BLACKHAWK STORM SINGLE-POINT SLING

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

Quiet, Adjustable, Dependable Weapon Retention With Quick-Release Buckle

Adjustable single-point sling is constructed of heavy-duty 1¼" nylon webbing and 1" elliptical elastic bungee cord for optimum performance and stealth. High-density bungee allows 4" of flex—just right for weapon agility in CQB maneuvers—and is covered with tough, weather-resistant compressed tubular nylon sheathing that prevents noise, limits bounce, and provides optimum retention. Strong, single-piece, quick attach/detach “mash” clip snaps securely to any single point sling adapter to keep your weapon within easy reach when you need it most. Elastic sleeve slides over clip to prevent rattling against gun. Heavy duty tri-glide nylon buckle allows adjustment to permit wear over bulky tactical vests and gear on all body sizes. A 300-lb test nylon “quick ditch” buckle instantly opens the sling if you need to release your weapon quickly.

Attributes

- Name: [BLACKHAWK STORM SINGLE-POINT SLING](#)
- Manufacturer: [BLACKHAWK](#)

STORM SINGLEPOINT TACTICAL SLING SAFETY INSTRUCTIONS

Introduction

Thank you for purchasing the STORM SINGLEPOINT TACTICAL SLING by BLACKHAWK. This guide provides essential safety instructions and guidelines for the proper use of your sling. Please read this document carefully to ensure safe handling and operation.

General Safety Guidelines

- Ensure that the sling is compatible with your weapon before use.
- Inspect the sling for any signs of wear or damage before each use.
- Always follow the manufacturer's instructions for use and maintenance.
- Keep the sling out of reach of children and vulnerable individuals.
- Use the sling only for its intended purpose.

Specific Safety Precautions for Use

- **Potential Hazards** Improper use may lead to accidental discharge of the weapon. Failure to secure the sling properly can result in loss of the weapon.
- **Avoiding Hazards** Always verify that your weapon is unloaded before attaching or detaching the sling. Ensure that the sling is securely fastened to the weapon and that all clips are locked in place. Do not exceed the recommended weight limit for the sling. Avoid using the sling in extreme weather conditions that may affect its performance.

Instructions for Installation and Usage

1. Installation

- Locate the singlepoint sling adapter on your weapon.
- Attach the quick attach/detach "mash" clip to the adapter, ensuring it snaps securely in place.
- Slide the elastic sleeve over the clip to prevent rattling against the gun.

2. Adjustment

- Adjust the sling length by using the heavyduty triglide nylon buckle.
- Ensure that the sling fits comfortably over your body and tactical gear.

3. Usage

- When using the sling, ensure that it is properly adjusted for your body size and equipment.
- Maintain awareness of your surroundings while using the sling to prevent accidents.
- If you need to release your weapon quickly, press the 300lb test nylon "quick ditch" buckle.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged beyond repair, ensure that it is disposed of in a manner that prevents accidental use.

Contact Information for Further Support

For any safety inquiries or concerns regarding the STORM SINGLEPOINT TACTICAL SLING, please refer to the manufacturer's website or customer service resources.

Please remember to regularly check for updates on safety practices and product recalls via the EU's Safety Gate platform. Your safety is our priority. Thank you for choosing BLACKHAWK.
