

# RIFLE SLING SWIVEL SETS - GROVTEC US 1", KIT INCL SWIVELS W/WOOD SCREW FRONT STUD & REAR STUD

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Rifle Swivel Sets](#)

## Dependable, All Steel With Quick Release System

All-steel swivels are made in the U.S.A. and contain no plastic parts to crack and fail when you least expect it. Quick-detach feature allows you to use one sling for several rifles. Swivel attaches to mounting stud and locks down with knurled cylinder nut to prevent accidental opening. Available for 1" or 1¼" wide slings. Swivels are available in pairs with or without mounting studs. Model GTSW-23 uses a wood screw front stud, all other sets use a front stud with machine screw and nut or specific hardware for attaching to a magazine tube or barrel.

# RIFLE SLING SWIVEL SETS Safety Instruction Guide

## Introduction

Thank you for choosing the RIFLE SLING SWIVEL SETS by GROVTEC US. This guide provides essential safety instructions and usage guidelines to ensure your product is used safely and effectively. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a rifle sling swivel set.
- Always inspect the swivels and mounting hardware for any signs of damage or wear before each use.
- Do not use the product if any parts are broken or missing.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Only use the swivels with compatible slings (1" or 1¼" wide).
- Ensure that the swivels are securely attached to the mounting studs before use.
- Avoid overtightening the knurled cylinder nut, which may damage the swivel or mounting stud.
- Be cautious when detaching the sling; ensure the area is clear of obstructions or bystanders.
- Do not modify or alter the product in any way, as this may compromise its safety and functionality.
- Avoid using the product in extreme weather conditions, which may affect its performance.

## Instructions for Installation and Usage

### 1. Installation of the Swivel:

- Choose the appropriate mounting stud for your rifle (wood screw front stud or machine screw and nut).
- If using a wood screw front stud, use a suitable drill bit to create a pilot hole in the desired location.
- Insert the wood screw front stud into the pilot hole and tighten securely.
- If using a machine screw and nut, ensure the hardware is compatible with your rifle and attach it as per the manufacturer's instructions.

### 2. Attaching the Sling:

- Align the swivel with the mounting stud.
- Push the swivel onto the mounting stud until it clicks into place.
- Tighten the knurled cylinder nut to secure the swivel. Ensure it is snug but do not overtighten.

### 3. Detaching the Sling:

- To detach, simply unscrew the knurled cylinder nut.
- Pull the swivel off the mounting stud, taking care not to force it.

### 4. Regular Maintenance:

- Periodically check the swivels and mounting hardware for wear and tear.
- Clean the swivels with a soft cloth to remove dirt and moisture.

- Store the product in a dry place when not in use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, consider recycling metal parts where possible.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of the RIFLE SLING SWIVEL SETS, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for following these safety instructions. Your safety is our priority. Enjoy using your RIFLE SLING SWIVEL SETS responsibly!
