Introduction

Thank you for choosing the SLING SWIVEL SETS GROVTEC US 1". This product is designed for use with lever action rifles and is made with highquality materials to ensure durability and safety. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

General Safety Guidelines

- Always ensure the product is used in accordance with the manufacturer's instructions.
- Inspect the swivels and mounting components before each use for any signs of damage or wear.
- Ensure that the swivels are securely attached before using the sling.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only with 1" wide slings to ensure proper fit and functionality.
- Do not exceed the weight limit specified by the sling manufacturer.
- Avoid using the sling in wet or slippery conditions that may affect grip and control.
- Do not modify the product in any way, as this may compromise safety.
- Ensure the swivel is locked in place before using the sling to prevent accidental opening.

Instructions for Installation and Usage

1. Installation

- Identify the mounting stud location on your rifle.
- Align the swivel with the mounting stud and press it onto the stud.
- Secure the swivel by tightening the knurled cylinder nut until snug. Do not overtighten.
- Ensure the swivel is locked in place by checking for any movement.

2. Usage

- Attach the sling to the swivel by threading it through the sling attachment point.
- Adjust the sling to the desired length for comfortable carrying.
- Always check the attachment points before use to ensure everything is secure.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
