

# SHOTGUN MAGAZINE CAP SLING SWIVEL SETS - GROVTEC US GTSW-37 MOSS 500 SWIVEL SET

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Shotgun Swivel Sets](#)

## Rugged, U.S.-Made, All-Steel Quick Release System

Sturdy, all-steel, quick-detach swivel system for pump and semi-auto shotguns lets you attach or remove a sling as needed or even use the same sling on several shotguns. Made entirely in the U.S.A. from the finest quality materials, with no plastic parts to wear out and let you down in the field. Replacement magazine cap has integral swivel stud with  $\frac{3}{4}$ " screw-in stud for the buttstock. Pair of 1" swivels attach to studs and lock down with knurled cylinder nut to prevent accidental opening.

# **Safety Instruction Guide for SHOTGUN MAGAZINE CAP SLING SWIVEL SETS GROVTEC US GTSW37 MOSS 500 SWIVEL SET**

## **Introduction**

Thank you for choosing the SHOTGUN MAGAZINE CAP SLING SWIVEL SET by GROVTEC US, INC. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before installation and use.

## **General Safety Guidelines**

- Ensure that all components of the sling swivel set are in good condition before use.
- Always follow the manufacturer's instructions for installation and usage.
- Store the product in a safe and dry location, out of reach of children.
- Use only with compatible shotgun models, specifically the Mossberg 500.
- Inspect the product regularly for wear and damage, particularly the swivel mechanism and attachment points.
- If you notice any defects or malfunctions, discontinue use immediately and seek assistance.

## **Specific Safety Precautions for Use**

- Avoid using the sling swivel set in wet or slippery conditions to prevent accidental slips.
- Do not overload the sling with excessive weight, as this may lead to failure.
- Ensure that the sling is securely attached to both the shotgun and the user before use.
- Keep hands and fingers clear of moving parts during installation and adjustment.
- Use caution when detaching the sling to avoid injury from the quickdetach mechanism.
- Do not modify or alter any components of the sling swivel set; doing so may compromise safety.

## **Instructions for Installation and Usage**

### **1. Installation of the Magazine Cap:**

- Remove the existing magazine cap from your Mossberg 500 shotgun.
- Align the new magazine cap with the shotgun's magazine tube and screw it in clockwise until secure.
- Ensure the integral swivel stud is properly seated.

### **2. Attaching the Swivels:**

- Take the provided 1" swivels and insert them into the swivel stud.
- Tighten the knurled cylinder nut to lock the swivels in place, ensuring they are secure.

### **3. Using the Sling:**

- Attach the sling to the swivels.
- Adjust the sling length as needed for comfortable carrying.
- Always check that the sling is properly attached before use.

### **4. Detaching the Sling:**

- To remove the sling, simply loosen the knurled cylinder nut and detach the sling from the swivels.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding metal and plastic waste.
- Do not dispose of the product in household waste; instead, take it to a designated recycling facility.
- Ensure that any components that could pose a safety risk are rendered unusable before disposal.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety of this product, please contact the manufacturer or refer to the product documentation for further assistance.

This safety instruction guide aims to ensure that you can use the SHOTGUN MAGAZINE CAP SLING SWIVEL SET safely and effectively. By following these guidelines, you can help prevent accidents and ensure a positive experience with your product. Thank you for your attention to these important safety measures.
