

RIFLE SLING SWIVEL SETS - GROVTEC US 1", KIT INCL SWIVELS W/MACH SCREW FRT STUD,WOOD SCRW RR STUD

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Rifle Swivel Sets](#)

Dependable, All Steel With Quick Release System

All-steel swivels are made in the U.S.A. and contain no plastic parts to crack and fail when you least expect it. Quick-detach feature allows you to use one sling for several rifles. Swivel attaches to mounting stud and locks down with knurled cylinder nut to prevent accidental opening. Available for 1" or 1¼" wide slings. Swivels are available in pairs with or without mounting studs. Model GTSW-23 uses a wood screw front stud, all other sets use a front stud with machine screw and nut or specific hardware for attaching to a magazine tube or barrel.

RIFLE SLING SWIVEL SETS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the RIFLE SLING SWIVEL SETS by GROVTEC US. This product is designed for secure and reliable use with your rifles. To ensure your safety and the proper functioning of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used only as intended and according to these instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the swivels and mounting hardware for signs of wear or damage.
- Do not use the product if any parts are damaged or missing.
- Always follow local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Always ensure that the sling is securely fastened to both the rifle and the swivel before use.
- Avoid using the sling in wet or slippery conditions to prevent accidents.
- Do not exceed the weight limit of the sling as specified by the manufacturer.
- If the swivel becomes loose during use, stop using the product immediately and check for proper installation.
- Use caution when detaching the sling to prevent accidental release.

Instructions for Installation and Usage

1. Installation

- Ensure you have the correct tools for installation, including a screwdriver suitable for the type of screws provided.
- For models using a wood screw front stud:
 - Select the desired location on your rifle for the front stud.
 - Predrill a hole if necessary, then securely fasten the wood screw front stud into place.
- For models using a machine screw front stud:
 - Attach the front stud to the rifle using the provided machine screw and nut, ensuring a tight fit.
- Ensure the swivel is attached to the mounting stud and locked down with the knurled cylinder nut.

2. Usage

- To attach the sling, ensure the swivel is securely locked onto the mounting stud.
- To detach the sling, use the quickdetach feature, ensuring that you are in a safe environment away from any hazards.
- Regularly check the integrity of the sling and swivels during use, especially after periods of heavy use or exposure to adverse conditions.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and plastic waste.
- If the product is damaged beyond repair, ensure that it is disposed of in a manner that prevents any potential harm to the environment or individuals.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the RIFLE SLING SWIVEL SETS, please refer to the manufacturer's contact details provided on the packaging or visit the official website.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your RIFLE SLING SWIVEL SETS. Always prioritize safety and compliance with local regulations when using firearm accessories. Thank you for your attention to these guidelines.
