

# RIFLE SLING SWIVEL SETS - GROVTEC US 1-1/4" KIT INC SWIVELS W/MACH SCREW FRT STUD,WD SCRW RR STUD

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Rifle Swivel Sets](#)

## Dependable, All Steel With Quick Release System

All-steel swivels are made in the U.S.A. and contain no plastic parts to crack and fail when you least expect it. Quick-detach feature allows you to use one sling for several rifles. Swivel attaches to mounting stud and locks down with knurled cylinder nut to prevent accidental opening. Available for 1" or 1¼" wide slings. Swivels are available in pairs with or without mounting studs. Model GTSW-23 uses a wood screw front stud, all other sets use a front stud with machine screw and nut or specific hardware for attaching to a magazine tube or barrel.

# RIFLE SLING SWIVEL SETS SAFETY INSTRUCTIONS

## Introduction

Thank you for purchasing the RIFLE SLING SWIVEL SET from GROVTEC US. This guide provides important safety instructions to ensure the safe and effective use of your product. Please read and follow these instructions carefully.

## General Safety Guidelines

- Ensure that all users of this product are familiar with these safety guidelines.
- Always inspect the sling swivels for any signs of wear or damage before use.
- Use the product only for its intended purpose as described in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper installation may lead to the sling detaching unexpectedly.
  - Using damaged or worn swivels can result in accidents.
- **Avoiding Hazards:**
  - Always ensure that the swivels are securely locked in place before use.
  - Do not exceed the weight limit of the sling.
  - Avoid using the sling with firearms that are not designed for this type of attachment.
- **Age Specific Warnings:**
  - This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

- **Installation:**
  1. Select the appropriate mounting stud for your firearm.
  2. If using Model GTSW23, attach the wood screw front stud securely.
  3. For other models, attach the front stud with the machine screw and nut.
  4. Ensure that the swivel is properly attached to the mounting stud.
  5. Tighten the knurled cylinder nut to lock the swivel in place.
- **Usage:**
  - When using the sling, ensure it is adjusted to a comfortable length.
  - Regularly check the attachment points for wear and secure fit.
  - Detach the sling only when the firearm is in a safe and secure position.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer usable, do not attempt to repair it.

- Recycle materials where possible.

## **Contact Information for Further Support**

For any further inquiries or support regarding safety, installation, or product performance, please contact the manufacturer directly.

By following these safety instructions, you can ensure the safe use of your RIFLE SLING SWIVEL SET. Thank you for your attention to these important guidelines.
