

ARMORER'S BLOCKS - SCAR ARMORER'S BLOCK SET

[Gunsmith Tools & Supplies](#) > [Rifle Tools](#) > [Bench & Vise Blocks](#)

Protects Critical Components From Damage When Clamping For Maintenance

High-density polymer blocks allow critical subassemblies of the SOF Command Assault Rifle (SCAR) to be tightly clamped in a vise without danger of crushing, twisting, or otherwise distorting them. Provides secure support for safe, effective cleaning, adjustment, maintenance, and repair without marring or scratching the finish. Available as a complete set or separate components. Upper Receiver/Barrel Block surrounds the front sight/gas block to securely hold the barrel module while also protecting the exposed portion of the gas system leaving your upper free to be worked on. Lower Receiver/Trigger Module Block locks into the magazine well and absorbs all the clamping force to protect the SCAR's polymer lower receiver from damage. One end fits the 5.56x45mm SCAR-L; flip the block around and other end fits the 7.62x51mm SCAR-H. Bolt Maintenance Block gives proper support to disassemble the bolt for cleaning or repair. The SCAR Armorer's Block Set (100-003-431) contains the SCAR Lower block (100-003-428) and SCAR Upper blocks (100-003-470) ALONG with the block for bolt disassembly/assembly for bolt cleaning and maintenance. This set is the official SOCOM-issue Armorer's Block Set for the FNH SCAR MK16 & MK17. All major service procedures for this weapon system can be accomplished easily using the 5 piece set. Allows barrel service, trigger module repair, and bolt disassembly/reassembly for both calibers. Mounts MK13 grenade launcher for inspection and service as well. High grade injection molded nylon prevents marking or marring of weapon. For professional armorer or gunsmith use only.

Attributes

- Name: [SCAR ARMORER'S BLOCK SET](#)
- Manufacturer: [TANGODOWN](#)
- Product no.: 100003431
- Mfr. No.: ABSFNScar001
- Make: FN
- Model: SCAR
- Delivery weight: 0.703kg

ARMORER'S BLOCKS SCAR ARMORER'S BLOCK SET

Safety Instruction Guide

Introduction

Thank you for choosing the ARMORER'S BLOCKS SCAR ARMORER'S BLOCK SET. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only by trained professionals, such as armorers or gunsmiths.
- Always inspect the blocks before use for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Use the blocks only for their intended purpose as specified in this guide.
- Report any unsafe conditions or accidents to the relevant authorities immediately.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper use of the blocks may lead to damage of the firearm or personal injury.
 - Ensure that the clamping force applied does not exceed the limits of the polymer material.
- **Avoiding Hazards:**
 - Always secure the firearm in a stable position before using the blocks.
 - Do not apply excessive force that could lead to crushing or distortion of the firearm components.
 - Use the appropriate block for the specific model of SCAR to ensure a proper fit.
- **Age Specific Warnings:**
 - This product is not intended for use by individuals under the age of 18.
 - Ensure that only qualified personnel handle the product.

Instructions for Installation and Usage

- **Installation:**
 - Select the appropriate block for your SCAR model (SCARL or SCARH).
 - For the Lower Receiver/Trigger Module Block:
 - Insert the block into the magazine well until it locks securely in place.
 - For the Upper Receiver/Barrel Block:
 - Position the block around the front sight/gas block and ensure it is snugly fitted.
- **Usage:**
 - When using the Bolt Maintenance Block:
 - Ensure the firearm is unloaded and pointed in a safe direction.
 - Use the block to support the bolt assembly for disassembly or cleaning.
 - Always follow the manufacturer's guidelines for cleaning and maintenance of the SCAR rifle.
- **Post Usage Care:**
 - After use, clean the blocks with a soft cloth to remove any debris.
 - Store the blocks in a dry place away from direct sunlight to prevent degradation of the material.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic waste.
- Do not incinerate the blocks as they may release harmful substances when burned.
- If the blocks are damaged, ensure they are disposed of safely to prevent any risk of injury.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's official website or customer service channels.

Thank you for your attention to these safety guidelines. Your safety and the proper functioning of your equipment are our top priorities.
