

EWL EXTREME WEAPONS LUBRICANT - SLIP 2000 EXTREME WEAPONS LUBE 4OZ BOTTLE

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Non-toxic, highly-effective gun care products are specially formulated to provide superior firearms cleaning and protection without using harsh, smelly chemicals. Extreme Weapons Lube has all the same great features of Gun Lube in addition to being specifically formulated to prevent heat build-up in heavy, automatic weapons. Removes carbon, copper, plastic, powder and lead fouling while leaving behind a protective film that eliminates friction. Protects against rust and corrosion from saltwater, hydrogen sulfide, carbon dioxide, mild mineral acids, and chlorine, making it ideal for extremely harsh operating environments. Does not contain petroleum distillates or oil.

EWL EXTREME WEAPONS LUBRICANT SLIP 2000 4 OZ. Safety Instruction Guide

Introduction

Thank you for choosing EWL Extreme Weapons Lubricant Slip 2000. This product is designed to provide superior cleaning and protection for firearms without the use of harsh chemicals. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure safe use of the product by following these guidelines:
 - Always store the product in a cool, dry place away from direct sunlight.
 - Keep the product out of reach of children and pets.
 - Avoid contact with eyes and skin. If contact occurs, rinse thoroughly with water.
 - Do not ingest the product. If swallowed, seek medical attention immediately.
 - Use only in wellventilated areas to minimize inhalation of vapors.
 - Follow all local regulations regarding the use and disposal of lubricants.

Specific Safety Precautions for Use

- When using EWL Extreme Weapons Lubricant, please take the following precautions:
 - Wear protective gloves to prevent skin irritation.
 - Avoid using the product near open flames or sources of ignition.
 - Do not mix with other chemicals or products unless specified by the manufacturer.
 - If you experience dizziness, headaches, or respiratory issues while using the product, discontinue use immediately and seek fresh air.
 - For firearms maintenance, ensure the firearm is unloaded before applying the lubricant.

Instructions for Installation and Usage

- Follow these steps for proper installation and usage of EWL Extreme Weapons Lubricant:

1. Preparation:

- Ensure the firearm is unloaded and in a safe working condition.
- Clean the firearm of any existing fouling using a suitable cleaner.

2. Application:

- Shake the container well before use.
- Open the flip top cap and apply a small amount of lubricant to the areas needing lubrication.
- Use a clean cloth or applicator to spread the lubricant evenly.
- Allow the lubricant to penetrate for a few minutes before handling the firearm.

3. PostApplication:

- Wipe off any excess lubricant to prevent attracting dirt and debris.
- Store the product securely after use.

Disposal Instructions

- Dispose of EWL Extreme Weapons Lubricant in accordance with local regulations:
 - Do not pour down drains or dispose of in household waste.
 - Check with local authorities for specific disposal guidelines for lubricants and chemicals.
 - If the container is empty, recycle it if possible.

Contact Information for Further Support

For any inquiries regarding the safety and use of EWL Extreme Weapons Lubricant, please refer to the relevant local authorities or safety organizations in your area.

By following these safety instructions, you can ensure the safe and effective use of EWL Extreme Weapons Lubricant Slip 2000. Thank you for prioritizing safety while enjoying your firearm maintenance.
