

# RUGER 10/22 CHASSIS - NORDIC COMPONENTS RUGER 10/22 CHASSIS ALUMINUM BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

## Accepts AR-15/M16 Accessories For Optimal Tactical Configurations

CNC machined aluminum chassis takes full advantage of proven technology and accepts off-the-shelf AR-15/M16 free float tubes, hand grips, receiver extensions, and buttstocks. Heavy duty upper and lower wraps-around around the original receiver to create a one-piece unit and provide the starting point for an outstanding tactical platform. Upper attaches firmly to the top of receiver for a rock-solid mount and improved accuracy. Includes a built-in Weaver-style base 6½" long that allows a variety of options for mounting optics. Radiused edges give a streamlined appearance, reduce weight, and prevent snagging. Fits factory 10/22® barreled action and trigger group, including heavy barrels up to .990" in diameter. T6 aluminum hardcoat anodized for durability.

## Attributes

- Name: [NORDIC COMPONENTS RUGER 10/22 CHASSIS ALUMINUM BLK](#)
- Manufacturer: [NORDIC COMPONENTS](#)
- Product no.: 100003499
- Mfr. No.: AR22-KIT-3PC
- Color: Black
- Make: Ruger
- Material: Aluminum
- Model: 10/22
- Style: Chassis
- Delivery weight: 0.93kg
- UPC: 816696021416

## Item details

Made in USA

US export classification: 0A501.y.1

# RUGER 10/22 CHASSIS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for purchasing the RUGER 10/22 Chassis by Nordic Components. This guide provides important safety instructions and guidelines to ensure the safe use and handling of your product. Please read this manual carefully before using the chassis.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this manual.
- Always handle the chassis with care and in a safe environment.
- Keep the chassis out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage.
- If you notice any defects or issues, do not use the product and contact a qualified professional for assistance.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the chassis.
- Use only compatible components, such as AR15/M16 free float tubes, hand grips, receiver extensions, and buttstocks.
- Ensure that the upper and lower parts of the chassis are securely attached to prevent any movement during use.
- Be cautious when handling the chassis, as sharp edges may be present.
- When mounting optics, verify that the Weaverstyle base is properly secured to avoid any accidents.
- Do not exceed the recommended weight limit for mounted accessories to maintain stability and performance.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded.
- Remove the original stock and any other components that need to be replaced.
- Align the chassis with the receiver and secure it using the provided hardware.
- Attach the upper part of the chassis firmly to the top of the receiver.
- Ensure that all screws and attachments are tightened properly.

### 2. Usage

- Once installed, check the stability of the chassis before use.
- Adjust any mounted accessories as needed for comfort and accuracy.
- Always follow safe shooting practices when using the firearm equipped with the chassis.

## Disposal Instructions

- Dispose of the chassis responsibly and in accordance with local regulations.
- If the chassis is damaged beyond repair, consider recycling the aluminum material where possible.
- Ensure that any hazardous materials are disposed of according to local environmental guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the RUGER 10/22 Chassis, please consult the manufacturer's website or contact their customer support for assistance.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your RUGER 10/22 Chassis. Always prioritize safety and responsible handling in all situations. Thank you for choosing Nordic Components.
