## Fast, Easy Mag Changes In High Stress Situations

Replacement floorplate brings the speed and controllability of the original Magpul Ranger Floorplate to both 20- and 30-round PMAGs for fast, secure tactical magazine changes. Smoothly contoured, easy-to-grasp finger loop and grooved thumb dimple aid in positive extraction from tight mag pouches and help you hang onto the empty magazine with just a finger after a tactical reload. Made from tough, reinforced polymer overmolded with soft, non-slip synthetic rubber that also cushions the magazine from impact if dropped on a hard surface. Includes molded-in para-cord hole for custom loop configurations. Easy, drop-in installation: remove the PMAG's factory floorplate as you do for cleaning, and replace it with the Ranger Floorplate. Sold in 3-paks and available in Black. Mag212 fits original and M2 PMAG, NOT GEN 3 556 PMAGS.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for adult use only. Keep away from children.
- **Inspect Before Use:** Always inspect the floorplate for any signs of damage or wear before installation and use.
- **Secure Installation:** Ensure the floorplate is securely attached to the magazine before use to avoid accidental detachment.
- **Avoid Excessive Force:** When installing or removing the floorplate, avoid using excessive force that may damage the magazine or floorplate.
- **Safe Handling:** Handle the magazine and floorplate with care, especially when loaded.
- **Avoid Modifications:** Do not modify the floorplate in any way, as this may compromise its safety and functionality.

## Instructions for Installation and Usage

### 1. Remove the Factory Floorplate:

- Hold the PMAG securely.
- Use your fingers to press down on the factory floorplate and slide it off to remove it.

### 2. Install the Ranger Floorplate:

- Align the Ranger Floorplate with the magazine base.
- Press the Ranger Floorplate onto the magazine base until you hear a click, indicating it is securely attached.

### 3. Check the Installation:

- Gently pull on the Ranger Floorplate to ensure it is firmly attached.
- Make sure there are no gaps between the floorplate and the magazine.

#### 4. **Usage:**

- Use the floorplate to assist in magazine changes during tactical operations.
- The finger loop and thumb dimple are designed to enhance grip during extraction from pouches.

## **Disposal Instructions**

- **Recycling:** Dispose of the product in accordance with local regulations for plastic waste. Check with your local waste management authority for recycling options.
- **Do Not Burn:** Do not incinerate the product as it may release harmful substances when burned.
- **Environmental Considerations:** Always consider the environmental impact of disposal and opt for recycling whenever possible.
