Drop-In Replacement For M4 Stock With Storage & Enhanced Comfort Features

Adaptable Carbine/Storage (ACS) stock is a drop-in replacement for standard USGI M4 collapsible stock that gives the tactical operator extra storage options, a secure, comfortable cheekweld, and an advanced dual-locking lever. Smooth, streamlined exterior contours prevent snagging on clothing, sling, or vegetation, and help ensure fast exits from vehicles without snagging on gear. Removable battery storage compartments run the full length of the extra-wide comb and hold 2 AA or 3 CR-123 batteries, while providing a wide, contoured area for an exceptionally solid, comfortable cheekweld. Secure molded rubber caps keep water and dust out of compartments and face the rear of the stock for easy removal; cap exterior is beveled to resist snagging when shouldering weapon. Positive-locking trapdoor on right side of the stock reveals a roomy storage compartment for additional batteries, coiled up cleaning cable and other cleaning supplies, ear plugs, spare parts, or other small items. Magpul's dual locking system uses an additional cam lever to protect the release lever from accidental operation, yet still allows you to adjust length of pull by simply pushing on the release lever. Slot molded in the toe provides an attachment point for a 1¼" wide sling. Also includes the same detachable rubber buttpad found on Magpul CTR and UBR buttstocks to help keep stock firmly mounted on shoulder. Mil-Spec fits 1.14" O.D. buffer tubes on Colt-manufactured M4 and similar mil-spec tubes that accept both four- and six-position collapsible stocks.

Safety Instruction Guide for AR15 ACS Stock

Introduction

Thank you for choosing the AR15 ACS Collapsible MilSpec Carbine Stock. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this guide carefully to understand the precautions and proper handling of the stock.

General Safety Guidelines

- Ensure that the product is used only as intended.
- Always handle firearms and accessories with care and follow all safety protocols.
- Keep the stock and all related equipment out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of damage or wear. Do not use if damaged.
- Be aware of your surroundings and ensure that you are in a safe environment when using the stock.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the stock.
- Do not exceed the recommended weight limit for accessories attached to the stock.
- Avoid using the stock in wet or muddy conditions to prevent slipping and loss of control.
- Use the duallocking lever correctly to secure the stock in place and prevent accidental adjustments.
- Always check that the stock is properly locked in position before use.
- Be cautious when adjusting the length of pull. Ensure that your fingers are clear of any moving parts.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the stock with the buffer tube on the firearm.
- Slide the stock onto the buffer tube until it is fully seated.
- Secure the stock by engaging the locking mechanism.

2. Adjusting the Stock:

- To adjust the length of pull, locate the release lever.
- Press the release lever while sliding the stock to the desired position.
- Release the lever and ensure that the stock is locked in place.

3. Using the Battery Storage Compartment:

- Remove the molded rubber cap to access the battery storage compartment.
- Insert up to 2 AA or 3 CR123 batteries into the compartment.
- Replace the cap securely to keep out moisture and dust.

4. Using the Storage Compartment:

- Open the positive locking trapdoor on the right side of the stock.
- Store additional batteries, cleaning supplies, or other small items in the compartment.
- Ensure the compartment is securely closed after use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the stock in household waste.
- Consider recycling options for polymer materials if available in your area.

Contact Information for Further Support

For safety inquiries or further assistance, please reach out to the designated EU contact point for this product. Ensure you have the product details ready for a more efficient response.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
