

# AR-15 ACS STOCK COLLAPSIBLE COMMERCIAL - MAGPUL AR-15 ACS STOCK COLLAPSIBLE COMMERCIAL BLK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

Adaptable Carbine/Storage (ACS) stock is a drop-in replacement for standard USGI M4 collapsible stock that gives the tactical operator extra storage options, a secure, comfortable cheekweld, and an advanced dual-locking lever. Smooth, streamlined exterior contours prevent snagging on clothing, sling, or vegetation, and help ensure fast exits from vehicles without snagging on gear. Removable battery storage compartments run the full length of the extra-wide comb and hold 2 AA or 3 CR-123 batteries, while providing a wide, contoured area for an exceptionally solid, comfortable cheekweld. Secure molded rubber caps keep water and dust out of compartments and face the rear of the stock for easy removal; cap exterior is beveled to resist snagging when shouldering weapon. Positive-locking trapdoor on right side of the stock reveals a roomy storage compartment for additional batteries, coiled up cleaning cable and other cleaning supplies, ear plugs, spare parts, or other small items. Magpul's dual locking system uses an additional cam lever to protect the release lever from accidental operation, yet still allows you to adjust length of pull by simply pushing on the release lever. Slot molded in the toe provides an attachment point for a 1¼" wide sling. Also includes the same detachable rubber buttpad found on Magpul CTR and UBR buttstocks to help keep stock firmly mounted on shoulder. Mil-Spec fits 1.14" O.D. buffer tubes on Colt-manufactured M4 and similar mil-spec tubes that accept both four- and six-position collapsible stocks. Commercial fits larger, 1.17" O.D. commercial carbine buffer tubes. Buffer tube, carbine buffer, receiver extension nut, and carbine-length action spring not included.

## Attributes

- Name: [MAGPUL AR-15 ACS STOCK COLLAPSIBLE COMMERCIAL BLK](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100003531
- Mfr. No.: MAG371-BLK
- Colour: Black
- Material: Polymer
- Model: AR-15
- Style: Collapsible
- Type: Commercial
- Weapon type: AR-15
- Delivery weight: 0.59kg
- Shipping height: 74mm
- Shipping width: 140mm
- Shipping length: 218mm
- UPC: 873750001043

# Safety Instruction Guide for AR15 ACS Stock Collapsible Commercial

## Introduction

Thank you for choosing the AR15 ACS Stock Collapsible Commercial by Magpul. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used in accordance with all applicable laws and regulations.
- Inspect the stock before each use for any signs of damage or wear. Do not use if damaged.
- Store the stock in a safe, dry place away from direct sunlight and extreme temperatures.
- Keep the product out of reach of children and unauthorized users.
- Familiarize yourself with the features and operations of the stock before use.
- Always follow safe firearm handling practices when using the stock with a firearm.

## Specific Safety Precautions for Use

- **Battery Storage:** Ensure that the battery compartments are securely closed to prevent moisture and dust ingress.
- **Cheekweld:** Always ensure a secure and comfortable cheekweld to maintain proper control of the firearm.
- **Sling Attachment:** Use only slings that are compatible with the stock's attachment point. Ensure that the sling is securely fastened.
- **Positive Locking Mechanism:** Always check that the locking mechanism is engaged before using the stock. This prevents accidental adjustments during use.
- **Cleaning Supplies:** Store cleaning supplies and spare parts in the designated compartment to avoid clutter and maintain safety.
- **Accidental Operation:** Be cautious when adjusting the length of pull to avoid accidental release.

## Instructions for Installation and Usage

### Installation

1. **Buffer Tube Compatibility:** Ensure you have the correct buffer tube for installation:
  - Commercial: 1.17" O.D. carbine buffer tubes.
  - MilSpec: 1.14" O.D. buffer tubes.
2. **Remove the Existing Stock:** Follow the manufacturer's instructions to safely remove the existing stock from the buffer tube.
3. **Attach the ACS Stock:**
  - Slide the ACS stock onto the buffer tube.
  - Ensure that the stock is properly aligned and fully seated.
4. **Secure the Stock:** Tighten the receiver extension nut according to the manufacturer's specifications to ensure a secure fit.

### Usage

### **1. Adjusting Length of Pull:**

- To adjust the length of pull, press the release lever while sliding the stock to the desired position.
- Ensure the locking mechanism engages before using the firearm.

### **2. Using Battery Storage:**

- Open the battery storage compartments to insert batteries.
- Ensure that the compartments are closed securely after use.

### **3. Using the Storage Compartment:**

- Access the trapdoor on the right side of the stock for additional storage.
- Store only recommended items (e.g., cleaning supplies, spare parts) in the compartment.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of batteries in regular household waste; follow local guidelines for battery disposal.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information provided with your purchase.

By following these guidelines, you can ensure the safe and effective use of the AR15 ACS Stock Collapsible Commercial. Thank you for prioritizing safety.
