

AR-15 MOE STOCK COLLAPSIBLE COMMERCIAL - MAGPUL AR-15 MOE STOCK COLLAPSIBLE COMMERCIAL BLK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

Magpul Original Equipment (MOE) carbine buttstock provides the quality, durability, and ergonomic benefits of Magpul's CTR stock in a rugged, economical, drop-in package. Strong, A-frame design is lightweight and comfortable, yet provides operator with plenty of support. Comb contour is wider than standard issue M4 stock to help shooter maintain a solid, consistent cheekweld. Streamlined exterior and protected release lever won't snag on clothing, gear, vehicle interior, or vegetation. Heavy duty, spring-loaded release lever allows fast length-of-pull adjustments and won't dig into your hand. Impact- and heat-resistant, polymer construction includes molded-in reinforcements at stress points, plus two slots for web slings and a hole for a toe-mounted sling swivel or clip-on sling. Soft, synthetic rubber buttpad increases comfort and helps prevent slippage. Commercial fits larger, 1.17" O.D. commercial carbine buffer tubes. Buffer tube, carbine buffer, receiver extension nut, and carbine-length action spring not included. Available in Black.

Safety Instruction Guide for AR15 MOE Stock Collapsible Commercial

Introduction

Thank you for choosing the AR15 MOE Stock Collapsible Commercial by Magpul. This guide provides important safety information and instructions for the proper use, installation, and disposal of the product. Please read this guide carefully to ensure safe and effective use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and accessories with care and follow all relevant laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- If you notice any defects or issues, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for the stock.
- Ensure that the stock is securely attached to the buffer tube before use.
- Avoid using the stock in extreme temperatures or adverse weather conditions.
- Do not modify the stock in any way that may compromise its integrity or safety.
- Always use proper shooting techniques and maintain awareness of your surroundings when using the firearm equipped with this stock.

Instructions for Installation and Usage

Installation

1. **Gather Required Tools:** You will need a carbine buffer tube, carbine buffer, receiver extension nut, and carbinelength action spring (not included).
2. **Remove Old Stock:** If replacing an existing stock, ensure the firearm is unloaded and remove the old stock by unscrewing it from the buffer tube.
3. **Attach the Buffer Tube:** Ensure that the buffer tube is securely attached to the lower receiver.
4. **Install the AR15 MOE Stock:** Slide the stock onto the buffer tube until it is fully seated.
5. **Secure the Stock:** Use the springloaded release lever to adjust the length of pull and ensure it is locked in place.

Usage

- Adjust the stock to your preferred length of pull using the release lever.
- Ensure a solid cheek weld by aligning your cheek with the comb of the stock.
- Maintain a firm grip on the firearm when shooting to ensure stability and control.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not incinerate or expose the product to extreme heat.
- Recycle any components that are recyclable, following local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the AR15 MOE Stock Collapsible Commercial, please refer to the official Magpul website or your local retailer for assistance.
