

# 1911 BO-MAR REAR SIGHT - HARRISON DESIGN & CONSULTING

## HD-001 1911 REAR SIGHT

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

### Smooth, No-Snag Combat Sight Fits Standard Bo-Mar Slide Cut

Rugged, solid steel fixed rear sight fits the standard Bo-Mar BMCS slide cut, perfect for converting an existing adjustable-sight 1911 to a tactical or self-defense configuration. Fully radiused edges and corners help eliminate snagging during draw from concealment, and front of blade is squared off to aid one-handed slide racking to clear jams. Deep, .135" wide notch produces a clear sight picture with more light around the front blade for faster target acquisition. Fine, 50 lpi horizontal serrations on blade rear face eliminate glare and the distorting effects of uneven ambient light. Precision machined from steel bar stock, unique two-piece design has separate base that allows mounting in both standard open BMCS cut and the "Deluxe" pocket cut. Two hardened steel screws and a hidden lug join the body to the base to ensure a rock-solid installation that will not shoot loose, even under hard use. Drift adjustable .030" left or right for windage, allowing correction of approximately 3" of error at 20 yards. Installed height is same as many popular aftermarket rear sights, so you may not need to replace your pistol's front sight. Gunsmith installation recommended.

### Attributes

- Name: [HARRISON DESIGN & CONSULTING HD-001 1911 REAR SIGHT](#)
- Manufacturer: [HARRISON DESIGN & CONSULTING](#)
- Product no.: 100003572

# 1911 BOMAR REAR SIGHT HARRISON DESIGN & CONSULTING HD001 Safety Instruction Guide

## Introduction

Thank you for choosing the 1911 BOMAR Rear Sight by Harrison Design & Consulting. This guide provides important safety information and instructions to ensure the safe and effective use of your new rear sight. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure the firearm is pointed in a safe direction when installing or adjusting the sight.
- Only use the sight with compatible 1911 models: Government, Commander, and Officers.
- Regularly inspect the rear sight and firearm for any signs of wear or damage.
- Store the sight and firearm in a secure location away from unauthorized access, especially from children.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.

## Specific Safety Precautions for Use

- Ensure the rear sight is properly installed before using the firearm.
- Avoid using the firearm in adverse weather conditions that may affect visibility or handling.
- When drawing from concealment, practice safe handling to prevent snagging or accidental discharge.
- Use proper eye and ear protection when firing your firearm.
- If you experience any malfunctions or issues, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation Instructions:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing sight from the firearm, if applicable.
- Align the base of the 1911 BOMAR Rear Sight with the standard BoMar BMCS slide cut.
- Secure the sight using the provided hardened steel screws and hidden lug for a stable installation.
- Adjust the sight for windage as needed by drifting it .030" left or right.
- Confirm that the sight is firmly in place before proceeding to use the firearm.

### Usage Instructions:

- Familiarize yourself with the sight picture before using the firearm in a live setting.
- Practice drawing and aiming in a controlled environment to ensure comfort and safety.
- Regularly check the sight alignment and make adjustments as necessary.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the rear sight is damaged beyond use, please dispose of it responsibly. Consult local electronic waste disposal guidelines if applicable.

## **Contact Information for Further Support**

For any inquiries or support regarding the 1911 BOMAR Rear Sight, please refer to the contact information provided by the manufacturer or retailer where the product was purchased.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your 1911 BOMAR Rear Sight. Always prioritize safety and responsible handling of firearms. Thank you for your attention to these important matters.
