

# SEVIGNY SERIES FIBER OPTIC SIGHT SET for GLOCK® - WARREN TACTICAL SERIES SEVIGNY COMPETITION REAR, FIBER OPTIC FRONT

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Used by numerous IDPA and USPSA National champions, as well as law enforcement professionals, these streamlined, steel sights are built for fast target acquisition. A variety of front and rear sight configurations, including fiber optics, self-illuminating Tritium inserts, and plain black, let you mix and match for carry, competition or tactical operations. Designed to fit factory dovetails with little to no fitting required. Ramped Rear Sights have a non-serrated face Drift-adjustable for windage, with a locking setscrew to hold the setting. Tactical rear sight features a unique Wave Profile contour with concave corners for an extra wide field-of-view and smooth, no-snag removal from the holster. U-shaped notch has gently radiused corners to help direct the eye quickly to the front sight acquisition.

# SEVIGNY SERIES FIBER OPTIC SIGHT SET Safety Instructions

## Introduction

Thank you for choosing the SEVIGNY SERIES FIBER OPTIC SIGHT SET for GLOCK® WARREN TACTICAL SERIES SEVIGNY COMPETITION REAR, FIBER OPTIC FRONT. This guide provides essential safety instructions to ensure safe usage and installation of the product. Please read this manual carefully before use to understand how to operate the product safely and effectively.

## General Safety Guidelines

- Ensure the product is suitable for your firearm model before installation.
- Always handle your firearm safely and responsibly.
- Check for any visible damage to the sight set before installation. Do not use if damaged.
- Keep the product out of reach of children and unauthorized users.
- Do not modify the sight set; alterations may compromise safety and performance.
- Regularly inspect the sight set for wear and tear, and replace if necessary.

## Specific Safety Precautions for Use

- Be aware of your surroundings when using your firearm equipped with this sight set.
- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Use eye protection while shooting to prevent injury from debris.
- If you experience any issues with the sight set, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Gather necessary tools, including a screwdriver suitable for your firearm.
2. **Remove Existing Sights:** Carefully remove any existing sights from your firearm using the appropriate tool.
3. **Install Rear Sight:**
  - Align the SEVIGNY COMPETITION REAR sight with the factory dovetail.
  - Ensure the nonserrated face is facing upward.
  - Use the locking setscrew to secure the sight in place.
4. **Install Front Sight:**
  - Follow the same procedure as with the rear sight, ensuring proper alignment.
5. **Adjust for Windage:**
  - Use the driftadjustable feature to make necessary adjustments for windage.
6. **Final Inspection:**
  - Ensure both sights are securely installed and properly aligned.

### Usage

- To achieve optimal target acquisition, align the Ushaped notch of the rear sight with the front fiber optic sight.
- Practice using the sight set in a safe and controlled environment to become familiar with its operation.
- Regularly check the sight alignment and make adjustments as necessary.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of in regular household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the SEVIGNY SERIES FIBER OPTIC SIGHT SET, please consult your local dealer or a qualified professional. It is important to ensure that you have access to support for safe usage and maintenance of your sight set.

## **Conclusion**

Following these safety instructions will help ensure a safe and enjoyable experience with your SEVIGNY SERIES FIBER OPTIC SIGHT SET. Always prioritize safety and responsible firearm handling practices. Thank you for choosing our product!
