Safety Instruction Guide for REM 870/1100/1187 SILVER BULLET

Introduction

Thank you for choosing the REM 870/1100/1187 SILVER BULLET. This specialized tool is designed for the removal and reinstallation of the trigger plate bushing, carrier tube, and carrier/dog/washer assembly. It is crucial to follow safety guidelines to ensure safe usage and maintenance of this product.

General Safety Guidelines

- Always read the instructions thoroughly before using the product.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool before each use to ensure it is in good condition and free from defects.
- Use the tool only for its intended purpose as described in this manual.
- Wear appropriate personal protective equipment (PPE) such as gloves and safety glasses during use.
- Do not use the tool if you are tired, under the influence of drugs or alcohol, or if you are not in a suitable physical condition.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded and safe before attempting any maintenance with this tool.
- Avoid using excessive force when using the tool to prevent damage to the firearm or the tool itself.
- Do not modify the tool in any way, as this may compromise its safety and effectiveness.
- Always follow the manufacturer's instructions for the specific firearm model you are working on.
- If you are unsure about any procedures, consult a qualified gunsmith or firearms expert.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is completely unloaded and in a safe condition.
- Gather all necessary tools and materials before starting the process.

2. Using the Tool

- Position the SILVER BULLET tool over the trigger plate bushing or carrier tube as needed.
- Apply gentle pressure to engage the tool with the component.
- Turn or push the tool as necessary to remove or reinstall the component without forcing it.
- If resistance is met, stop and reassess the situation to avoid damage.

3. PostUse Care

- Clean the tool after each use to maintain its condition and effectiveness.
- Store the tool in a dry and safe location, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the tool in accordance with local regulations and guidelines.
- If the tool is damaged beyond repair, consider recycling metal components where possible.
- Do not dispose of the tool in regular household waste.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website for additional resources.

By following these safety instructions, you can ensure a safe and effective experience with your REM 870/1100/1187 SILVER BULLET tool. Thank you for prioritizing safety and responsible usage.
