

# RECON-S NO OFFSET SCOPE MOUNT - 1" 0 MOA SCOPE MOUNT, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

## Rock-Solid Mounts With Quick-Detach System

Quick-release lever-lock system clamps solidly to flattop rail and will not work loose even under heavy recoil—the more force acting on the lever, the tighter it locks. Depress the release tab to swing the lever open, and the mount easily lifts off the rifle. Adjustable with a flat head screwdriver or even a coin for an ultra-secure, no-slip fit on almost any Picatinny or Weaver-style rail, including over- or under-sized commercial rails. Lever may be configured to lock to the front or the rear to suit the operator's preference. Large locking bar on the side of the mount engages the maximum amount of rail area, while the crossbolt and two integral locking lugs ensure rock-solid engagement of rail slots to prevent movement under recoil. Five heavy duty steel hex head screws (three on top, two on bottom) clamp the vertically split ring halves together. Cutouts in the ring sides and in the base reduce weight without sacrificing strength. Quick-Release Scope Mount one-piece base with dual-lever system provides the same solid mounting and fast removal and reattachment.

## Attributes

- Name: [1" 0 MOA SCOPE MOUNT, BLACK](#)
- Manufacturer: [AMERICAN DEFENSE MANUFACTURING](#)
- Product no.: 100003653
- Mfr. No.: ADRECONS1STD
- Elevation: 0 MOA
- Finish: Matte Black
- Height: .890"
- Make: Universal Rifles
- Scope Tube Diameter: 1"
- Style: Picatinny,Quick Detach,Weaver
- Delivery weight: 0.249kg
- Shipping height: 58mm
- Shipping width: 84mm
- Shipping length: 196mm

# Safety Instruction Guide for RECONS No Offset Scope Mount

## Introduction

Thank you for choosing the RECONS No Offset Scope Mount. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a scope mount for rifles.
- Always inspect the scope mount for any visible damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product in a safe environment to prevent accidents and injuries.
- Follow all local laws and regulations regarding the use of firearms and accessories.

## Specific Safety Precautions for Use

- **Installation Safety:**
  - Ensure the rifle is unloaded before installing or adjusting the scope mount.
  - Use appropriate tools to avoid stripping screws or damaging the mount.
- **Operational Safety:**
  - Always doublecheck the tightness of the mount before shooting.
  - Do not exceed the weight limit of the mount as specified by the manufacturer.
- **Handling Safety:**
  - Avoid placing fingers on the trigger until you are ready to shoot.
  - Be aware of your surroundings and ensure a safe shooting area.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the rifle is unloaded.
- Identify the Picatinny or Weaverstyle rail on your rifle.
- Align the scope mount with the rail and ensure it is positioned correctly.
- Use a flat head screwdriver or coin to tighten the leverlock system until secure.
- Check that the locking bar engages the rail adequately.
- Confirm that the mount is stable and does not move under pressure.

### 2. Usage:

- To remove the scope mount, depress the release tab and swing the lever open.
- Lift the mount off the rifle carefully.
- Always store the mount in a safe place when not in use.
- Regularly check the mount's condition and retighten screws as necessary.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, utilize designated recycling facilities for metal and plastic.
- Ensure that all components are disposed of safely to prevent environmental harm.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the RECONS No Offset Scope Mount, please contact your local distributor or visit the manufacturer's website for support resources.

By following these guidelines, you can ensure the safe and effective use of your RECONS No Offset Scope Mount. Always prioritize safety and responsible handling when using firearms and their accessories. Thank you for your attention to these important safety instructions.
