

# PICATINNY BIPOD ADAPTER - DOUBLE STAR PICATINNY BIPOD ADAPTER

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipod Accessories](#)

## Ultra-Secure Attachment Of Stud-Mounted Bipod To Railed Handguard

Precision machined aluminum and steel adapter clamps securely to bottom of railed handguard to let you mount a bipod that requires a sling swivel stud attachment point. Steel locking bar and three hardened steel hex head screws that also serve as recoil lugs attach to Picatinny and Weaver-style rails for an ultra-solid platform that won't slip even under heavy recoil. Streamlined design adds minimal bulk and weight to your weapon.

# PICATINNY BIPOD ADAPTER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Picatinny Bipod Adapter by Double Star. This product is designed to provide a secure mounting point for bipods requiring a sling swivel stud attachment. Please read this safety instruction guide carefully to ensure safe and proper use of the adapter.

## General Safety Guidelines

- Ensure the adapter is installed correctly to prevent accidents or damage to your equipment.
- Regularly inspect the adapter for wear and tear, especially the locking bar and screws.
- Do not exceed the manufacturer's weight limit for the bipod attached to the adapter.
- Always use the adapter in accordance with the manufacturer's specifications.
- Keep the adapter away from children and unauthorized users.
- In case of any malfunction or failure, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Ensure the firearm is unloaded before installation.
- Use appropriate tools to secure the adapter tightly.
- Avoid overtightening screws, which may damage the adapter or rail.

### • Operational Precautions:

- Use the adapter only with compatible bipods.
- Ensure the bipod is securely attached before use.
- Do not use the adapter if it shows signs of damage or wear.

### • Storage Precautions:

- Store the adapter in a dry, cool place away from direct sunlight.
- Keep the adapter in its original packaging or a protective case when not in use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the adapter with the Picatinny or Weaverstyle rail on your handguard.
- Use the provided hex head screws to secure the adapter to the rail. Make sure the locking bar is engaged.
- Tighten the screws using the appropriate tool, ensuring a secure fit but avoid overtightening.

### 2. Usage:

- Attach your bipod to the sling swivel stud attachment point on the adapter.
- Confirm that the bipod is securely fastened before using the firearm.
- Regularly check the tightness of the adapter and bipod during use, especially after heavy firing sessions.

## **Disposal Instructions**

- Dispose of the adapter in accordance with local regulations.
- If the adapter is damaged beyond repair, consider recycling the aluminum and steel components where possible.
- Do not dispose of the adapter in household waste.

## **Contact Information for Further Support**

For safety inquiries or support regarding the Picatinny Bipod Adapter, please refer to the manufacturer's contact information provided with your product packaging.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the Picatinny Bipod Adapter. Always prioritize safety and compliance with local regulations while using this product. Thank you for your attention to these guidelines.
