

# 1911 U-NOTCH REAR SIGHT - 10-8 PERFORMANCE STANDARD .125" U-NOTCH REAR SIGHT

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

## Rugged Construction For Daily Carry; Offers A Clear, Easy-To-See Sight Picture

Fixed rear sight is precision machined from heat-hardened 4140 steel bar stock, so it withstands the wear and tear of daily carry, yet delivers a clear, precise sight picture. Perfect for concealed carry, duty, or combat pistols where a rugged, reliable rear sight is mission critical. Fully "dehorned," with rounded and chamfered edges to prevent snagging on holster, clothing, or other gear that could impede draw. Easy-to-acquire .125" high U-shaped notch aligns quickly with a wide variety of factory-height front sights, including fiber optic, tritium dot, and gold beads. Rear face of the plain black blade has 40 lpi serrations for a glare-free sight picture under almost any light conditions; front of the blade has ledge contour to aid in one-hand cocking. A hard, manganese phosphate parkerized finish that matches many tactical pistol finishes adds strength and surface wear resistance. A hidden setscrew helps anchor the sight in the slide dovetail for extra-secure mounting and resistance to shifting under recoil. Cut to fit the popular Novak Lo-Mount-type dovetail.

## Attributes

- Name: [10-8 PERFORMANCE STANDARD .125" U-NOTCH REAR SIGHT](#)
- Manufacturer: [10-8 PERFORMANCE](#)
- Product no.: 100003766

# 1911 UNOTCH REAR SIGHT Safety Instructions

## Introduction

Thank you for choosing the 1911 UNotch Rear Sight from 108 Performance. This product is designed to enhance your shooting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the rear sight properly.

## General Safety Guidelines

- Ensure that the product is used in accordance with all local laws and regulations regarding firearms and accessories.
- Always treat your firearm as if it is loaded, and keep the muzzle pointed in a safe direction.
- Use appropriate eye and ear protection when handling firearms.
- Keep the rear sight and all firearm components clean and free from obstructions.
- Store the rear sight and firearm securely, out of reach of children and unauthorized users.
- Regularly inspect the rear sight for any signs of wear or damage.

## Specific Safety Precautions for Use

- Only install the rear sight on compatible models: 1911 Government, Commander, and Officers.
- Ensure the rear sight is securely mounted before use to prevent shifting or displacement during firing.
- Be aware of the sight picture when aiming; improper alignment can lead to inaccurate shots.
- Avoid using excessive force when installing or adjusting the rear sight to prevent damage.
- If you experience any issues with the rear sight, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing rear sight from the slide by loosening the setscrew.
- Align the 1911 UNotch Rear Sight with the dovetail cut on the slide.
- Securely tighten the hidden setscrew to anchor the sight in place, ensuring it is properly seated in the dovetail.
- Check for stability and alignment before proceeding to use.

### 2. Usage:

- When aiming, align the .125" high Ushaped notch with the front sight for an optimal sight picture.
- Practice acquiring the sight picture in various lighting conditions to familiarize yourself with its capabilities.
- Regularly check the alignment of the rear sight, especially after extensive use or if the firearm has been subjected to heavy recoil.

## Disposal Instructions

- Dispose of the rear sight in accordance with local regulations regarding firearm accessories.
- If the product is damaged or no longer functional, do not attempt to repair it. Instead, follow local guidelines for safe disposal.
- Ensure that any disposed items do not pose a risk to the environment or public safety.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the manufacturer's website or contact your local authorized dealer.

Thank you for prioritizing safety while using the 1911 UNotch Rear Sight. Your attention to these guidelines helps ensure a safe and enjoyable shooting experience.
