

1911 U-NOTCH REAR SIGHT - 10-8 PERFORMANCE STANDARD .140" U-NOTCH REAR SIGHT

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

Rugged Construction For Daily Carry; Offers A Clear, Easy-To-See Sight Picture

Fixed rear sight is precision machined from heat-hardened 4140 steel bar stock, so it withstands the wear and tear of daily carry, yet delivers a clear, precise sight picture. Perfect for concealed carry, duty, or combat pistols where a rugged, reliable rear sight is mission critical. Fully "dehorned," with rounded and chamfered edges to prevent snagging on holster, clothing, or other gear that could impede draw. Easy-to-acquire .125" high U-shaped notch aligns quickly with a wide variety of factory-height front sights, including fiber optic, tritium dot, and gold beads. Rear face of the plain black blade has 40 lpi serrations for a glare-free sight picture under almost any light conditions; front of the blade has ledge contour to aid in one-hand cocking. A hard, manganese phosphate parkerized finish that matches many tactical pistol finishes adds strength and surface wear resistance. A hidden setscrew helps anchor the sight in the slide dovetail for extra-secure mounting and resistance to shifting under recoil. Cut to fit the popular Novak Lo-Mount-type dovetail.

Attributes

- Name: [10-8 PERFORMANCE STANDARD .140" U-NOTCH REAR SIGHT](#)
- Manufacturer: [10-8 PERFORMANCE](#)
- Product no.: 100003768

Safety Instruction Guide for 1911 UNOTCH REAR SIGHT

Introduction

Thank you for choosing the 1911 UNOTCH REAR SIGHT by 108 Performance. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a rear sight for compatible pistols.
- Always handle firearms with care and follow all safety protocols associated with firearm usage.
- Keep the product and all related equipment out of reach of children and unauthorized users.
- Regularly inspect the rear sight for wear or damage. If any issues are detected, do not use the product.
- Be aware of your surroundings when using firearms equipped with this sight to prevent accidents.

Specific Safety Precautions for Use

- Before installation, ensure the firearm is unloaded and pointed in a safe direction.
- Use appropriate tools when installing the rear sight to prevent damage to the sight or firearm.
- Avoid using excessive force during installation, as this may cause damage to the sight or the firearm.
- Ensure that the sight is securely mounted in the dovetail before using the firearm.
- If experiencing any difficulty with installation or use, consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded.
- Gather necessary tools: a sight pusher or appropriate punch tool, and a hammer.

2. Installation

- Remove the existing rear sight from the firearm using the appropriate tool.
- Clean the dovetail slot to remove any debris or residue.
- Align the 1911 UNOTCH REAR SIGHT with the dovetail slot.
- Using the sight pusher or punch tool, gently push the sight into place. Ensure it is aligned properly.
- Secure the sight with the hidden setscrew to prevent shifting during use.

3. Usage

- Familiarize yourself with the sight picture and ensure proper alignment with the front sight.
- Practice using the sight in a safe and controlled environment to enhance familiarity.
- Always ensure the firearm is in good working condition before use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.
- Do not dispose of the product in regular household waste.
- If the sight is damaged or no longer usable, consult local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the 1911 UNOTCH REAR SIGHT, please reach out to the manufacturer's customer support or consult a qualified firearms expert.

Thank you for prioritizing safety and compliance while using the 1911 UNOTCH REAR SIGHT. Your responsible use contributes to a safer environment for all.
