

# 1911 U-NOTCH REAR SIGHT - 10-8 PERFORMANCE STANDARD .156" U-NOTCH REAR SIGHT

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

## Rugged Construction For Daily Carry; Offers A Clear, Easy-To-See Sight Picture

Fixed rear sight is precision machined from heat-hardened 4140 steel bar stock, so it withstands the wear and tear of daily carry, yet delivers a clear, precise sight picture. Perfect for concealed carry, duty, or combat pistols where a rugged, reliable rear sight is mission critical. Fully "dehorned," with rounded and chamfered edges to prevent snagging on holster, clothing, or other gear that could impede draw. Easy-to-acquire .125" high U-shaped notch aligns quickly with a wide variety of factory-height front sights, including fiber optic, tritium dot, and gold beads. Rear face of the plain black blade has 40 lpi serrations for a glare-free sight picture under almost any light conditions; front of the blade has ledge contour to aid in one-hand cocking. A hard, manganese phosphate parkerized finish that matches many tactical pistol finishes adds strength and surface wear resistance. A hidden setscrew helps anchor the sight in the slide dovetail for extra-secure mounting and resistance to shifting under recoil. Cut to fit the popular Novak Lo-Mount-type dovetail.

## Attributes

- Name: [10-8 PERFORMANCE STANDARD .156" U-NOTCH REAR SIGHT](#)
- Manufacturer: [10-8 PERFORMANCE](#)
- Product no.: 100003769

# 1911 UNOTCH REAR SIGHT Safety Instruction Guide

## Introduction

Thank you for choosing the 1911 UNotch Rear Sight by 108 Performance. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your rear sight. Please read this document carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** This rear sight is designed to enhance the safety of your firearm. Ensure you follow all safety protocols when handling firearms.
- **Enhanced Recalls:** Stay informed about any product recalls that may affect your rear sight. You can find updates on the EU's Safety Gate platform.
- **Online Shopping:** If purchased online, ensure that the vendor complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by individuals under the age of 18. Keep out of reach of children.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point for this product.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the Safety Gate system.

## Specific Safety Precautions for Use

- **Proper Handling:** Always treat your firearm as if it is loaded.
- **Installation Safety:** Ensure the firearm is unloaded before installing the rear sight.
- **Regular Inspection:** Periodically inspect the rear sight for any signs of wear or damage.
- **Compatibility Check:** Ensure the rear sight is compatible with your specific model of the 1911 firearm.
- **Secure Mounting:** Confirm that the sight is securely mounted to prevent shifting during use.
- **Avoid Modifications:** Do not attempt to modify the rear sight or your firearm in ways not recommended by the manufacturer.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather necessary tools, including a screwdriver suitable for the sight's setscrew.

### 2. Installation:

- Locate the dovetail cut on your slide.
- Align the rear sight with the dovetail, ensuring it fits snugly.
- Use the hidden setscrew to secure the sight in place. Tighten it firmly but avoid overtightening, which may damage the sight or the slide.

### 3. Usage:

- When aiming, align the Ushaped notch with your front sight for a clear sight picture.
- Practice regularly to become familiar with the sighting system and improve accuracy.

### 4. PostInstallation Check:

- After installation, perform a function check to ensure the sight is secure and properly aligned.

- Test your firearm in a safe environment to confirm the sight's effectiveness.

## **Disposal Instructions**

- Dispose of the rear sight in accordance with local regulations regarding metal and firearm accessories.
- Do not dispose of the sight in regular household waste. Consider recycling options where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the 1911 UNotch Rear Sight, please consult the manufacturer's website or customer service for assistance. Always ensure you are following local laws and regulations regarding firearm accessories and modifications.

By following these guidelines, you can ensure the safe and effective use of your 1911 UNotch Rear Sight. Thank you for prioritizing safety and responsible firearm handling.
