

COSINE INDICATOR - SNIPER TOOLS DESIGN CO. MILSPEC COSINGE INDICATOR, RIGHT HAND

[Shooting Accessories](#) > [Range Gear](#) > [Cosine Indicators](#)

Improves Accuracy When Shooting Up Or Down Hill

Precision-machined, aircraft-grade aluminum instrument eliminates guesswork when adjusting your scope to fire at elevated, or very low targets. The orange needle moves with your rifle and displays a number that indicates the percent your rifle is off level. Multiply the indicated percent by the target distance to easily calculate the adjusted distance for gravity. Dovetailed bottom fits onto the aluminum mount (listed separately) which fits Picatinny and Weaver-style rails. Or, mount an extra Weaver-style ring on your scope tube and clamp the Indicator in the ring's dovetail. Ring not included. Lets you keep your face on the cheekpiece and see the Indicator. Mil-Spec version is waterproof for 35 minutes and 1 meter of water.

Safety Instruction Guide for COSINE INDICATOR SNIPER TOOLS DESIGN CO. MILSPEC COSINGE INDICATOR

Introduction

Thank you for choosing the COSINE INDICATOR SNIPER TOOLS DESIGN CO. MILSPEC COSINGE INDICATOR. This precision instrument is designed to enhance your shooting experience by providing accurate readings of your rifle's level. To ensure safe and effective use of this product, please read and follow the safety guidelines and instructions provided in this manual.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle the device with care to avoid damage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the device for any signs of wear or damage before use.
- Do not expose the product to extreme temperatures or harsh environmental conditions.
- Always follow local laws and regulations regarding the use of firearms and shooting equipment.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper use may lead to inaccurate readings, resulting in miscalculations during shooting.
- The device is waterproof for a limited time; prolonged exposure to water may damage it.

• Avoiding Hazards:

- Always ensure the indicator is securely attached to the rifle before use.
- Do not attempt to modify or disassemble the device.
- Use the product only in environments suitable for shooting activities.
- Ensure that the target area is clear of people and obstructions before firing.

Instructions for Installation and Usage

1. Installation:

- The cosine indicator can be mounted using the dovetailed bottom that fits onto the aluminum mount (sold separately).
- Alternatively, you may mount an extra Weaverstyle ring on your scope tube and clamp the indicator in the ring's dovetail. (Ring not included.)
- Ensure the indicator is securely fastened before use.

2. Usage:

- Adjust your rifle to the desired shooting position.
- Keep your face on the cheekpiece to maintain proper sight alignment.
- Observe the orange needle on the indicator; it will display a number indicating the percent your rifle is off level.
- Multiply the indicated percent by the target distance to calculate the adjusted distance for gravity.

- After use, ensure the device is turned off and stored properly to prevent damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not throw the device in the regular trash; instead, take it to a designated electronic waste recycling center.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your COSINE INDICATOR SNIPER TOOLS DESIGN CO. MILSPEC COSINGE INDICATOR. Thank you for your attention to safety, and enjoy your shooting experience!
