Economical, Drop-In Upgrade For Carbine Collapsible Stock

Magpul Original Equipment (MOE) carbine buttstock provides the quality, durability, and ergonomic benefits of Magpul's CTR stock in a rugged, economical, drop-in package. Strong, A-frame design is lightweight and comfortable, yet provides operator with plenty of support. Comb contour is wider than standard issue M4 stock to help shooter maintain a solid, consistent cheekweld. Streamlined exterior and protected release lever won't snag on clothing, gear, vehicle interior, or vegetation. Heavy duty, spring-loaded release lever allows fast length-of-pull adjustments and won't dig into your hand. Impact- and heat-resistant, polymer construction includes molded-in reinforcements at stress points, plus two slots for web slings and a hole for a toe-mounted sling swivel or clip-on sling. Soft, synthetic rubber buttpad increases comfort and helps prevent slippage. Mil-Spec fits 1.14" O.D. buffer tubes on Colt-manufactured M4 and similar mil-spec tubes that accept both four- and six-position collapsible stocks.

Safety Instruction Guide for AR15 MOE Stock Collapsible

Introduction

Thank you for choosing the AR15 MOE Stock Collapsible by Magpul. This guide provides essential safety instructions to ensure the safe use and installation of your product. Please read the following information carefully to understand how to use this product safely and effectively.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using the AR15 MOE Stock.
- Always treat your firearm as if it is loaded, even if you believe it to be unloaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the AR15 MOE Stock and your firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your stock and firearm for any signs of damage or wear.
- Use only compatible buffer tubes as specified in the product description.
- Be aware of your surroundings and ensure a clear shooting area before using your firearm.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- The AR15 MOE Stock is designed for use with milspec 1.14" O.D. carbine buffer tubes. Ensure compatibility before installation.
- Always check the stock for proper attachment to the buffer tube before each use.
- Avoid using the stock if it is damaged or shows signs of excessive wear.
- When adjusting the length of pull, ensure that your fingers are clear of the release lever to prevent pinching.
- Use the stock in a manner consistent with its intended purpose. Do not modify the stock in any way.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation, including a screwdriver if needed.

2. Removing the Old Stock:

- If applicable, remove the existing stock from the buffer tube by following the manufacturer's instructions.

3. Attaching the AR15 MOE Stock:

- Slide the AR15 MOE Stock onto the buffer tube until it is fully seated.
- Ensure that the stock is securely attached and does not wobble.

4. Adjusting the Length of Pull:

- Locate the release lever on the side of the stock.
- Press the release lever and slide the stock to your desired length of pull.

- Release the lever to lock the stock in place.

Usage

- Ensure that the stock is properly adjusted for comfort and control before shooting.
- Maintain a proper grip on the firearm when using the stock to enhance stability.
- Regularly check the stock's attachment to the buffer tube during use to ensure it remains secure.

Disposal Instructions

- Dispose of the AR15 MOE Stock in accordance with local regulations.
- Do not dispose of the stock in regular household waste.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For further support or inquiries regarding safety and usage, please contact the manufacturer or refer to their official website for guidance. Ensure you have the product details handy for a more efficient response.

Thank you for your attention to these safety guidelines. Your adherence to these instructions will help ensure a safe and enjoyable experience with your AR15 MOE Stock Collapsible.
