

# RUGER® 10/22® BOLT BUFFER - TUFFER BUFFER BOLT BUFFER, EACH

[Rifle Parts](#) > [Receiver Parts](#) > [Recoil Parts](#) > [Recoil Buffers](#)

## Replaces Bolt Stop Pin & Prevents Excessive Wear

Durable, abrasion resistant bolt buffer prevents contact between the bolt and stop pin to eliminate battering. Acts like a shock absorber to provide smooth, quiet cycling without the metal-to-metal contact that so easily damages the bolt stop pin holes. Replaces bolt stop pin at rear of receiver. Polyurethane construction is resistant to most solvents.

## Attributes

- Name: [TUFFER BUFFER BOLT BUFFER, EACH](#)
- Manufacturer: [TUFFER BUFFER](#)
- Product no.: 100003804
- Mfr. No.: SINGLE
- Model: 10/22
- Weapon type: Ruger
- Delivery weight: 0.005kg
- Shipping height: 5mm
- Shipping width: 53mm
- Shipping length: 89mm

## **SAFETY INSTRUCTION GUIDE**

### **Introduction**

Thank you for choosing the RUGER® 10/22® Bolt Buffer Tuffer Buffer. This product is designed to enhance the performance of your firearm by preventing contact between the bolt and the stop pin, thereby reducing wear and tear. To ensure your safety and the proper use of this product, please read and follow the guidelines outlined in this manual.

### **General Safety Guidelines**

- Always handle firearms with care and follow the basic rules of firearm safety.
- Ensure that the bolt buffer is compatible with your specific model, the RUGER® 10/22®.
- Inspect the bolt buffer regularly for signs of wear or damage.
- Use only appropriate ammunition as specified for your firearm.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

### **Specific Safety Precautions for Use**

- Ensure the firearm is unloaded before installation or maintenance.
- Avoid using the bolt buffer if it shows signs of wear or damage.
- Do not attempt to modify the bolt buffer in any way.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

### **Instructions for Installation and Usage**

#### **1. Preparation**

- Ensure that the firearm is completely unloaded.
- Gather necessary tools for installation, if required.

#### **2. Installation**

- Remove the existing bolt stop pin located at the rear of the receiver.
- Insert the RUGER® 10/22® Bolt Buffer Tuffer Buffer in place of the bolt stop pin.
- Ensure that the buffer is seated properly and securely.

#### **3. Usage**

- After installation, test the functionality of the bolt buffer by cycling the action of the firearm.
- Ensure that the firearm operates smoothly without any unusual noises or resistance.
- Regularly check the buffer for proper placement and wear during routine maintenance.

### **Disposal Instructions**

- Dispose of the bolt buffer responsibly, following local regulations for plastic waste.
- Do not throw the product in general waste if it is damaged or no longer usable.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or support regarding the RUGER® 10/22® Bolt Buffer Tuffer Buffer, please reach out to your local authorized dealer or manufacturer. Ensure to keep the product receipt and any relevant documentation for warranty purposes.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Your careful attention to these guidelines will help ensure a safe and enjoyable experience with your firearm.
