

# RUGER® 10/22® BOLT BUFFER - TUFFER BUFFER BOLT BUFFER, 3-PAK

[Rifle Parts](#) > [Receiver Parts](#) > [Recoil Parts](#) > [Recoil Buffers](#)

## Replaces Bolt Stop Pin & Prevents Excessive Wear

Durable, abrasion resistant bolt buffer prevents contact between the bolt and stop pin to eliminate battering. Acts like a shock absorber to provide smooth, quiet cycling without the metal-to-metal contact that so easily damages the bolt stop pin holes. Replaces bolt stop pin at rear of receiver. Polyurethane construction is resistant to most solvents.

## Attributes

- Name: [TUFFER BUFFER BOLT BUFFER, 3-PAK](#)
- Manufacturer: [TUFFER BUFFER](#)
- Product no.: 100003805
- Mfr. No.: 3 PACK

# RUGER® 10/22® BOLT BUFFER TUFFER BUFFER BOLT BUFFER, 3PAK Safety Instructions

## Introduction

Thank you for choosing the RUGER® 10/22® BOLT BUFFER TUFFER BUFFER BOLT BUFFER, 3PAK. This product is designed to enhance the performance of your firearm by preventing damage to the bolt stop pin. To ensure safe and effective use, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm and ammunition securely, out of reach of children and unauthorized users.
- Regularly inspect your firearm and accessories for signs of wear or damage.
- Use only compatible parts and accessories with your firearm.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- Ensure that the bolt buffer is correctly installed before using your firearm.
- Do not use the firearm if the bolt buffer is damaged or missing.
- Be aware of the potential for recoil and ensure you are in a stable shooting position.
- Avoid using solvents that are not compatible with polyurethane materials.
- Always wear appropriate eye and ear protection when shooting.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Disassemble the firearm according to the manufacturer's instructions.
- Locate the bolt stop pin at the rear of the receiver.
- Remove the existing bolt stop pin.
- Insert the RUGER® 10/22® BOLT BUFFER into the bolt stop pin hole.
- Reassemble the firearm according to the manufacturer's instructions.

### 2. Usage:

- Once installed, the bolt buffer will act as a shock absorber, providing smooth and quiet cycling of the bolt.
- Regularly check the condition of the bolt buffer, especially after extensive use.
- If you notice any signs of wear or damage, replace the bolt buffer immediately.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for proper disposal methods for polyurethane materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the RUGER® 10/22® BOLT BUFFER TUFFER BUFFER BOLT BUFFER, please refer to the manufacturer's website or contact their customer support.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your RUGER® 10/22® BOLT BUFFER TUFFER BUFFER BOLT BUFFER. Always prioritize safety and stay informed about best practices for firearm use. Thank you for your attention to these important guidelines.
