

# O-RING CLEANING JAGS - TCS .45/.454/.460 CAL. CLEANING JAG

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

## Increases Patch Pressure On Bore For Improved Cleaning Action

Solid aluminum jags with rubber O-rings are ideal for cleaning the bore of your gun without worrying about damaging the rifling. O-rings press patch firmly into bore surface for efficient cleaning action on powder, lead, copper, and plastic fouling. For use with patches, steel wool, and bronze wool. Shotgun and Black Powder jags are color coded; Rifle/Handgun jags are numbered for easy identification. In order to use TCS Manufacturing jags, you must use round patches that are .015" thick.

## Attributes

- Name: [TCS .45/.454/.460 CAL. CLEANING JAG](#)
- Manufacturer: [TCS](#)
- Product no.: 100003830
- Mfr. No.: J45RP SIZE 4
- Caliber: 45 Caliber, 460 Caliber
- Delivery weight: 0.018kg
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 689466088021

# ORing Cleaning Jags Safety Instructions

## Introduction

Thank you for choosing the ORing Cleaning Jags for maintaining your firearms. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read and follow these guidelines carefully.

## General Safety Guidelines

- Ensure safe use of the ORing Cleaning Jags by following all instructions.
- Be aware of the potential risks associated with improper use, including damage to your firearm or injury to yourself or others.
- Always keep the product out of reach of children and vulnerable individuals.
- Check for updates or recalls related to this product on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not use the cleaning jags for any purpose other than cleaning firearms.
- Always verify that your firearm is unloaded before using the cleaning jags.
- Use only round patches that are .015" thick with the jags to ensure proper fit and function.
- Be cautious when handling cleaning materials such as steel wool and bronze wool, as they can cause injury if not used properly.
- Inspect the cleaning jags for any signs of wear or damage before each use. Do not use damaged jags.
- Store the cleaning jags in a safe and dry place to prevent damage and ensure longevity.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning materials, including patches and cleaning solutions.

### 2. Attaching the Jag

- Select the appropriate jag for your firearm caliber (e.g., .45, .454, .460).
- Screw the jag onto the cleaning rod securely, using the male threads (832 tpi or 1032 tpi for .50 BP).

### 3. Using the Jag

- Cut a patch to fit the jag, ensuring it is .015" thick.
- Place the patch over the jag and press it firmly against the Oring to secure it.
- Insert the jag into the bore of the firearm, applying gentle pressure while moving it back and forth to clean the rifling.
- For best results, alternate between using patches, steel wool, and bronze wool as needed.

### 4. PostCleaning

- After cleaning, remove the jag and patch from the bore.
- Inspect the bore for any remaining fouling and repeat the cleaning process if necessary.
- Clean the jag and store it properly after use.

## **Disposal Instructions**

- Dispose of used patches and cleaning materials according to local regulations.
- Do not dispose of the cleaning jags in regular household waste. Instead, check local recycling guidelines for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the ORing Cleaning Jags, please refer to the product packaging for contact information or consult the manufacturer's website for additional support.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your ORing Cleaning Jags. Thank you for prioritizing safety and responsible firearm maintenance.
