

# M14/M1A TACTICAL SCOPE MOUNT - SADLAK INDUSTRIES

## AIRBORNE M14/M1A TACTICAL MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

### Maximum Support, Superior Strength-To-Weight Ratio

Helps keep the weight down when adding heavy tactical optics to your M14/M1A. Three-point design clamps down solidly, without alteration, to the side receiver ring, charger guide dovetail and receiver mount lug. Precision-cut rail includes 5° angle milled on the underside for easy case ejection without hang-ups; accepts Picatinny and Weaver-style rings. Open sight channel gives unobstructed view of back-up iron sights. Standard model is available in three strength-to-weight combinations. Steel model is fully machined from stress-relieved 4142 chrome-moly steel barstock, hardened to Rc 28-32 for maximum strength. Aluminum model is machined from 7075 bar stock aluminum and hardcoat anodized matte black for durability. Airborne model features a lightweight skeletonized frame with seven, 3/8" diameter CNC machined lightening holes in the top of the rail for reduced weight without sacrificing strength. Machined from chrome-moly steel bar stock and heat-treated to Rc 50 for superior strength. Mil-Spec Parkerized finish resists abrasion and corrosion. Adopted by the 101st Airborne.

### Attributes

- Name: [SADLAK INDUSTRIES AIRBORNE M14/M1A TACTICAL MOUNT](#)
- Manufacturer: [SADLAK INDUSTRIES](#)
- Product no.: 100003841

# M14/M1A Tactical Scope Mount Safety Instruction Guide

## Introduction

Thank you for choosing the M14/M1A Tactical Scope Mount from Sadlak Industries. This product is designed to enhance your shooting experience by providing a reliable and durable mounting solution for your tactical optics. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the M14/M1A Tactical Scope Mount is used only for its intended purpose, which is to mount tactical optics on M14 and M1A rifles.
- Always handle firearms with care and follow basic firearm safety rules.
- Store the scope mount in a dry, cool place, away from direct sunlight and moisture.
- Inspect the mount regularly for any signs of wear or damage.
- If you notice any defects or issues, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

- Always ensure that the rifle is unloaded before installing or adjusting the scope mount.
- Use only compatible Picatinny and Weaverstyle rings with this mount to ensure a secure fit.
- Avoid overtightening the mounting hardware, as this could damage the mount or the rifle.
- Be cautious when using the mount with heavy optics to avoid compromising the balance and handling of the rifle.
- Keep the area around the mount free from obstructions to prevent accidental damage during installation or removal.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including the provided Allen wrenches.
- Ensure the rifle is unloaded and pointed in a safe direction.

### 2. Installation

- Locate the side receiver ring, charger guide dovetail, and receiver mount lug on your M14/M1A.
- Position the scope mount on the rifle, aligning it with the aforementioned points.
- Using the provided mounting hardware, secure the mount to the rifle. Ensure that it is clamped down solidly.
- Check that the mount is level and properly aligned. Adjust as necessary.

### 3. Attaching Optics

- Select your preferred Picatinny or Weaverstyle rings.
- Attach the optics to the mount using the appropriate rings, following the manufacturer's instructions.
- Tighten the rings securely but avoid overtightening.

### 4. Final Checks

- Inspect the installation to ensure everything is secure and properly aligned.
- Perform a function check of the rifle to ensure that the mount does not interfere with operation.

## **Disposal Instructions**

- When disposing of the M14/M1A Tactical Scope Mount, follow local regulations for metal and aluminum recycling.
- Ensure that any components that may pose a hazard, such as screws or sharp edges, are disposed of safely to prevent injury.

## **Contact Information for Further Support**

For any questions or concerns regarding the M14/M1A Tactical Scope Mount, please reach out to the manufacturer or authorized dealers for assistance. Ensure that you have your product information on hand when seeking support.

By following these safety instructions, you can ensure a safe and enjoyable experience with your M14/M1A Tactical Scope Mount. Thank you for your attention to these important guidelines.
