

WINCHESTER M70 GRIP CAP - N.C. ORDNANCE M70 GRIP CAP BLACK POLYURETHANE

[Rifle Parts](#) > [Stock Parts](#) > [Butt Plate Parts](#) > [Grip Caps](#)

Precision molded from high-strength polyurethane to maintain crisp detail for a nice finishing touch on custom guns or factory firearms that need authentic looking restoration. Outside edges grind easily to provide a precise fit. Resistant to most solvents. Winchester models use the original factory patterns so they look and feel like the vintage factory part. Winchester models also include molded-in mounting lugs on the back side for a solid fit.

WINCHESTER M70 GRIP CAP Safety Instruction Guide

Introduction

Thank you for choosing the WINCHESTER M70 Grip Cap. This guide provides important safety instructions and guidelines to ensure the safe use and installation of your product. Please read this manual carefully before use.

General Safety Guidelines

- Ensure that the grip cap is suitable for your specific firearm model before installation.
- Always handle firearms with care and follow all manufacturer safety guidelines.
- Keep the grip cap out of reach of children and vulnerable individuals to prevent accidental injury.
- Regularly inspect the grip cap for any signs of wear or damage. Do not use if damaged.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- The grip cap is made from highstrength polyurethane, which is resistant to most solvents. However, avoid exposing it to harsh chemicals or extreme temperatures.
- Ensure that the grip cap is securely attached before using the firearm to prevent it from becoming loose during operation.
- Do not modify the grip cap in any way as this may compromise its integrity and safety.
- If you notice any unusual behavior or issues with the grip cap during use, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a suitable adhesive if required.
- Clean the area of the firearm where the grip cap will be installed to ensure proper adhesion.

2. Installation:

- Align the grip cap with the designated area on the firearm.
- If the grip cap includes molded-in mounting lugs, ensure they fit securely into the corresponding slots.
- Apply adhesive if necessary and press firmly to ensure a solid fit.
- Allow the adhesive to cure as per the manufacturer's instructions before using the firearm.

3. Usage:

- After installation, check that the grip cap is secure.
- Handle the firearm with the installed grip cap as you normally would, ensuring to follow all safety protocols for firearm handling.

Disposal Instructions

- Dispose of the grip cap responsibly. If it is damaged or no longer needed, consider recycling options where available.
- Do not dispose of the grip cap in regular household waste if it contains hazardous materials. Check local regulations for proper disposal methods.

Contact Information for Further Support

For safety inquiries or further information regarding the WINCHESTER M70 Grip Cap, please reach out to your local retailer or manufacturer. Ensure you have the product details ready for a more efficient response.

Thank you for prioritizing safety while using the WINCHESTER M70 Grip Cap. Enjoy your shooting experience responsibly!
