WINCHESTER 1906 BUTT PLATE Consumer Safety Instructions

Introduction

Thank you for choosing the WINCHESTER 1906 Butt Plate by N.C. Ordnance. This highquality reproduction butt plate is designed to restore the original look and feel of your rifle or shotgun. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model (Winchester 1906).
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Inspect the butt plate for any damage or defects before installation. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- The butt plate is made from highstrength polyurethane, which is resistant to most solvents. Avoid exposure to harsh chemicals that could damage the material.
- Ensure that the installation area is clean and free from debris to prevent accidents during installation.
- Use appropriate tools for installation to avoid injury or damage to the product.
- Do not attempt to modify the butt plate in any way, as this could compromise safety and performance.
- Always wear safety goggles and gloves when handling tools or performing installation.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a screwdriver that matches the screw size for your firearm.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Removing the Old Butt Plate

- Carefully remove the screws holding the old butt plate in place.
- Gently lift the old butt plate off the stock and discard it according to local disposal regulations.

3. Installing the New Butt Plate

- Align the new WINCHESTER 1906 Butt Plate with the screw holes on the firearm's stock.
- Insert the screws into their respective holes and tighten them securely, ensuring not to overtighten to avoid damaging the stock.

4. Final Inspection

- Check that the butt plate is securely attached and that there are no gaps between the plate and the stock.
- Test the fit by shouldering the firearm to ensure comfort and stability.

Disposal Instructions

- Dispose of any old butt plates and packaging materials in accordance with local waste disposal

regulations.

- The WINCHESTER 1906 Butt Plate is made from polyurethane, which may be recyclable. Check with local recycling facilities for guidelines.

Contact Information for Further Support

For any questions or concerns regarding the WINCHESTER 1906 Butt Plate, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website for additional support resources.

By following these guidelines, you can ensure the safe and effective use of your WINCHESTER 1906 Butt Plate. Thank you for prioritizing safety and responsibility in your firearm handling practices.
