

LC SMITH BUTT PLATES - N.C. ORDNANCE L.C. SMITH 16-20 GA. (4.8"X1.5") SHOTGUN BUTTPLATE

[Shotgun Parts](#) > [Stock & Forend Parts](#) > [Buttstock Hardware](#) > [Butt Plates](#)

High-quality, detailed reproduction buttplates look and feel like the originals and make restoring an old rifle or shotgun easy work. Built using original factory patterns, so you know the screw holes, checkering, company brand logos and borders are a perfect match. Outside edges grind easily for a perfect fit. Molded from a special, high-strength polyurethane that's resistant to most solvents.

Safety Instruction Guide for LC Smith Butt Plates

Introduction

Thank you for choosing the LC Smith Butt Plates by N.C. Ordnance. This guide provides essential safety information and instructions to ensure safe use and installation of your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that all safety instructions are followed during installation and usage.
- Always inspect the butt plate for any signs of damage or wear before use.
- Do not use the butt plate if it appears cracked, broken, or defective.
- Keep the butt plate out of reach of children and pets to prevent accidents.
- Be aware of your surroundings when using firearms equipped with this butt plate.
- Follow all local laws and regulations regarding firearm modifications and safety.

Specific Safety Precautions for Use

- Handle all firearms safely and responsibly, following the basic rules of firearm safety.
- Ensure that the butt plate is securely installed before handling the firearm.
- Avoid using solvents that may damage the polyurethane material of the butt plate.
- Do not use the butt plate with firearms that exceed the recommended specifications.
- If you experience any discomfort or adverse reactions while using the firearm with the butt plate, discontinue use immediately.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary tools: screwdriver, wrench, and any other tools required for installation.
- Make sure the firearm is unloaded and in a safe condition before starting the installation.

2. Installation Steps:

- Remove the existing butt plate from the firearm by unscrewing it carefully.
- Align the new LC Smith Butt Plate with the screw holes on the firearm.
- Insert the screws into the designated holes and tighten them securely, but do not overtighten.
- Check that the butt plate is flush with the stock and does not interfere with the operation of the firearm.

3. Usage:

- Once installed, check the fit and comfort of the butt plate against your shoulder.
- Practice proper firearm handling techniques when using the firearm with the new butt plate.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the butt plate needs to be replaced, dispose of the old one responsibly, considering recycling options if available.
- Do not burn the butt plate as it is made from polyurethane, which can release harmful substances when incinerated.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and usage of the LC Smith Butt Plates, please consult the manufacturer's website or customer service.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your LC Smith Butt Plates. Your safety is our priority, and we appreciate your commitment to responsible firearm use.
