

LC SMITH BUTT PLATES - N.C. ORDNANCE L.C. SMITH OVERSIZED (5.5"X1.9") SHOTGUN BUTTPLATE

[Shotgun Parts](#) > [Stock & Forend Parts](#) > [Buttstock Hardware](#) > [Butt Plates](#)

High-quality, detailed reproduction buttplates look and feel like the originals and make restoring an old rifle or shotgun easy work. Built using original factory patterns, so you know the screw holes, checkering, company brand logos and borders are a perfect match. Outside edges grind easily for a perfect fit. Molded from a special, high-strength polyurethane that's resistant to most solvents.

LC Smith Butt Plates Safety Instruction Guide

Introduction

Thank you for choosing the LC Smith Butt Plates manufactured by N.C. Ordnance. This guide provides important safety instructions and guidelines to ensure the safe use and installation of your butt plate. Please read this guide thoroughly before use.

General Safety Guidelines

- Ensure the butt plate is compatible with your shotgun model before installation.
- Inspect the butt plate for any visible damage or defects before use.
- Keep the butt plate out of reach of children and vulnerable individuals to prevent accidents.
- Use the butt plate only for its intended purpose as a replacement for shotgun butt plates.
- Follow all local laws and regulations regarding the use of firearms.

Specific Safety Precautions for Use

- Handle the butt plate with care to avoid injury from sharp edges.
- Avoid exposing the butt plate to extreme temperatures or harsh solvents that may degrade the material.
- Ensure that the butt plate is securely attached to the shotgun before use to prevent it from coming loose during operation.
- Do not attempt to modify or alter the butt plate in any way, as this may compromise its safety and effectiveness.

Instructions for Installation and Usage

1. Preparation

- Gather the necessary tools for installation, including a screwdriver that fits the screw holes of the butt plate.
- Ensure you have a safe working environment, free from distractions.

2. Installation Steps

- Remove the existing butt plate from your shotgun by unscrewing it from the stock.
- Align the new LC Smith butt plate with the screw holes on the shotgun stock.
- Insert screws through the holes in the butt plate into the shotgun stock and tighten securely. Do not overtighten, as this may damage the stock or the butt plate.
- Inspect the installation to ensure that the butt plate is firmly attached and does not wobble.

3. Usage

- Once installed, the butt plate is ready for use. Always ensure that the shotgun is in a safe condition before handling.
- Regularly check the attachment of the butt plate during routine maintenance of your shotgun.

Disposal Instructions

- Dispose of any packaging materials according to local recycling guidelines.
- If the butt plate becomes damaged beyond repair, dispose of it in accordance with local waste disposal regulations. Do not throw it in regular trash if it can be recycled.

Contact Information for Further Support

For any questions or concerns regarding the LC Smith Butt Plates, please refer to your retailer or the manufacturer for assistance. Ensure that you have the product details and any relevant information ready for a more efficient response.

By following these safety instructions, you can enjoy the benefits of your LC Smith Butt Plate while ensuring a safe and effective experience. Thank you for your attention to safety.
