

BROWNING SUPERPOSED BUTT PLATES - N.C. ORDNANCE

BROWNING SUPERPOSED 12 GA. (5.3"X1.75") SHOTGUN BUTTPLATE

[Shotgun Parts](#) > [Stock & Forend Parts](#) > [Buttstock Hardware](#) > [Butt Plates](#)

High-quality, detailed reproduction buttplates look and feel like the originals and make restoring an old rifle or shotgun easy work. Built using original factory patterns, so you know the screw holes, checkering, company brand logos and borders are a perfect match. Outside edges grind easily for a perfect fit. Molded from a special, high-strength polyurethane that's resistant to most solvents.

Safety Instruction Guide for BROWNING SUPERPOSED BUTT PLATES

Introduction

Thank you for purchasing the BROWNING SUPERPOSED BUTT PLATES from N.C. ORDNANCE. This guide provides essential safety instructions to ensure safe use and proper installation of your butt plate, in compliance with EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the product is suitable for your shotgun model (Browning Superposed 12 GA).
- Always inspect the butt plate for any signs of damage before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Use the butt plate only for its intended purpose as a replacement for Browning Superposed shotguns.
- Avoid exposure to extreme temperatures, as this may affect the integrity of the polyurethane material.
- Do not use solvents that are not compatible with polyurethane to clean the butt plate.
- When handling tools during installation, use appropriate safety gear such as gloves and goggles to prevent injury.
- Never force the butt plate into place; ensure all screw holes align correctly to avoid damage.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools: screwdriver, measuring tape, and a soft cloth for cleaning.
- Ensure the shotgun is unloaded and in a safe position before starting installation.

2. Removing the Old Butt Plate:

- Carefully remove the screws from the existing butt plate using a screwdriver.
- Gently lift the old butt plate away from the stock, taking care not to damage the wood.

3. Cleaning the Stock:

- Clean the area where the new butt plate will be installed with a soft cloth to remove any debris or old adhesive.

4. Installing the New Butt Plate:

- Align the new butt plate with the existing screw holes.
- Insert the screws into the holes and tighten them securely, ensuring not to overtighten which may damage the plate or the stock.

5. Final Check:

- Inspect the installation to ensure that the butt plate is securely attached and there are no gaps.
- Test the fit and feel of the butt plate before using the shotgun.

Disposal Instructions

- Dispose of the old butt plate and any packaging materials in accordance with local regulations.
- Do not incinerate the polyurethane material, as it may release harmful substances.

Contact Information for Further Support

For any questions or concerns regarding the BROWNING SUPERPOSED BUTT PLATES, please refer to the manufacturer's contact information provided with your purchase.

Thank you for choosing the BROWNING SUPERPOSED BUTT PLATES. Your safety is our priority, and we wish you a safe and enjoyable experience with your product.
