[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Shotgun Shell Holders](#)

## Puts Extra Shotshells Right Where You Need Them For Fast Loading

Rugged and lightweight, aluminum shell holders put extra 12 gauge shotshells on the left side of the receiver for fast tactical reloads. Shells are held in place with a unique, internal Santoprene™ elastomer rib that securely retains even heavy slug shells during vigorous movement or heavy recoil. Available in sidemount (SM) or Picatinny rail (PR) configurations. All necessary installation hardware, tools, and instructions included. Remington Sidemount is available in 4-, 6-, and 8-round capacities and uses steel-on-steel, threaded adapters that replace the trigger group pins to anchor the shell holder securely to the receiver. Remington 870 shotguns require a shortened, tactical-style forend to accommodate 6- and 8-round sidemount units. Remington 1100/11-87 require minor forend alterations to fit the 8-round model. Remington Picatinny is a 6-round model that features an integral Picatinny rail for mounting sights, optics, or other accessories. Wraps around the top and mounts to both sides of the receiver using the same type of attaching system as the sidemount model. Fits Remington 1100/11-87 without modification; requires use of shorter than factory length forearm when used with Remington 870. Mossberg Sidemount is a 6-round unit that attaches in the same manner as the Remington Sidemount. Fits Mossberg 500/590. Mossberg 500 Sureshell Carrier attaches to top mount. Benelli Picatinny models include an integral Picatinny rail and mount to the top of factory drilled/tapped receivers. Available in 6-round for Benelli M1/M2 (requires drilling/tapping receiver for M1), 6- and 8-round for M4/M1014, and 4-round for Supernova shotguns. Mossberg 930 sidemount attaches to the left side of the receiver. Mossberg Picatinny is a 6-round model that features a top Picatinny rail and attaches the same as the Sidemount model. Versamax is a 6-round model that features a top Picatinny rail and attaches to the receiver.

# RECEIVER MOUNT SHOTSHELL HOLDER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Receiver Mount Shotshell Holder from Mesa Tactical Products. This product is designed to enhance your shooting experience by providing a secure and accessible way to carry additional shotshells. To ensure your safety and the safety of others, please read and follow these instructions carefully.

## General Safety Guidelines

- Always handle firearms and ammunition with care.
- Ensure that the shotgun is unloaded before installing or adjusting the shotshell holder.
- Do not exceed the recommended capacity for your specific shotgun model.
- Use only compatible shotshells as specified in the product description.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the shotshell holder for wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure the shotshell holder is securely attached to the shotgun before use.
- Avoid using the shotshell holder in conditions that may cause it to loosen or detach, such as extreme recoil or rough handling.
- Be aware of your surroundings and ensure that the shotshells are stored securely during movement.
- Do not modify the shotshell holder or the shotgun in a way that could compromise safety.
- Use caution when reloading to prevent accidental discharge of the firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Gather all necessary tools and hardware included in the package.
- Ensure the shotgun is unloaded.
- For Remington models:
  - Remove the existing trigger group pins.
  - Replace them with the threaded adapters included with the shotshell holder.
  - Securely attach the shotshell holder to the left side of the receiver.
- For Mossberg models:
  - Attach the shotshell holder to the left side of the receiver using the provided mounting hardware.
- For Benelli models:
  - Drill and tap the receiver if necessary, following the included instructions.
  - Attach the shotshell holder to the top of the receiver using the mounting hardware.

### 2. Usage:

- Load the shotshells into the holder, ensuring they are securely retained.
- Practice reloading techniques in a safe environment to familiarize yourself with the holder's operation.
- Always check that the holder is securely attached before each use.

## Disposal Instructions

- When the shotshell holder reaches the end of its life or is no longer usable, dispose of it responsibly.
- Recycle aluminum components where possible, following local recycling guidelines.
- Do not dispose of the product in regular household waste.

## Contact Information for Further Support

For any inquiries regarding safety or product functionality, please refer to the product packaging for contact details. Ensure you have the product information ready when reaching out for assistance.

Thank you for prioritizing safety and enjoying your shooting experience responsibly.
