

# AR-15/M16 PROFESSIONAL-GRADE SLING ADAPTER - TROY INDUSTRIES PRO-GRADE SLING ADAPTER, DARK EARTH

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

## Provides Quick-Detach, Ambidextrous Sling Mounting; Built To Handle The Stress of Tactical Use

Heavy-duty sling adapter slides over collapsible stock buffer tubes to provide secure, ambidextrous attachment for the push-button QD sling swivel. No gunsmithing required—simply tighten down the steel crossbolt with the included hex key wrench. Solid aluminum construction with plenty of extra metal at the stress points to ensure this mount won't twist, flex, or bend under pressure. Beveled and rounded edges help resist snagging on sling or other gear. Indexes to upper receiver to prevent unwanted rotation of buffer tube. Hardcoat anodized for extra strength and wear resistance; available in matte black or dark earth. Stainless steel swivel has a non-reflective black finish and allows a full 360° of rotation.

## Attributes

- Name: [TROY INDUSTRIES PRO-GRADE SLING ADAPTER, DARK EARTH](#)
- Manufacturer: [TROY INDUSTRIES](#)

# Safety Instruction Guide for AR15/M16 ProfessionalGrade Sling Adapter

## Introduction

Thank you for choosing the AR15/M16 ProfessionalGrade Sling Adapter by Troy Industries. This guide provides essential safety instructions and usage information to ensure your product is used safely and effectively. Please read this document carefully before installation and use.

## General Safety Guidelines

- Always ensure that you are using the sling adapter in accordance with the manufacturer's instructions.
- Inspect the sling adapter before each use for any signs of damage or wear.
- Do not exceed the recommended weight limit of the sling adapter.
- Keep the sling adapter out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure the sling adapter is securely attached to the buffer tube before using it.
- Always check that the QD sling swivel is properly engaged before relying on it for support.
- Avoid using the sling adapter in extreme conditions that may compromise its integrity.
- Do not modify or alter the sling adapter in any way, as this may lead to failure.
- Use only compatible slings that do not exceed 1¼" (3.2cm) in width.

## Instructions for Installation and Usage

### 1. Installation:

- Slide the sling adapter over the collapsible stock buffer tube.
- Align the adapter so that it indexes to the upper receiver, preventing unwanted rotation.
- Use the included hex key wrench to tighten the steel crossbolt securely.
- Ensure that the adapter is firmly in place before proceeding to use.

### 2. Usage:

- Attach your sling to the QD sling swivel.
- Confirm that the sling is properly secured and that the swivel rotates freely.
- Adjust the sling length as needed for comfort and usability.
- When not in use, store the sling adapter in a safe place to prevent damage.

## Disposal Instructions

- Dispose of the sling adapter in accordance with local regulations regarding metal and aluminum products.
- Ensure that all components are disposed of in a manner that prevents environmental harm.

## Contact Information for Further Support

For any questions or concerns regarding the AR15/M16 ProfessionalGrade Sling Adapter, please refer to the manufacturer's website or customer service for assistance. It is important to have a reliable source for safety inquiries.

Thank you for following these safety instructions. Your safety is our priority, and we hope you enjoy the benefits

of your new sling adapter.
