

AR-15 GAS BLOCK LOW PROFILE - TROY INDUSTRIES AR-15 GAS BLOCK LOW PROFILE .750 STEEL BLACK

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Blocks](#)

Won't Interfere With Extended-Length Tactical Forearms

Minimal-profile replacement for factory front sight/gas block won't interfere with extended-length tactical forearms, while ensuring proper function of gas system for reliable cycling. Protrudes only .420" above barrel, covers less than 1" of barrel length, and adds only 1.4 oz. of weight. Compatible with M4-style carbines and M16A2/A3/A4-style rifles with any length, .750" O.D. barrel. Two steel setscrews keep the block securely anchored to the barrel to prevent shifting even under the force of full-auto recoil. Black oxide finish matches most factory barrel finishes.

Attributes

- Name: [TROY INDUSTRIES AR-15 GAS BLOCK LOW PROFILE .750 STEEL BLACK](#)
- Manufacturer: [TROY INDUSTRIES](#)
- Product no.: 100004062
- Mfr. No.: SGAS-A4L-00BT-00

Safety Instruction Guide for AR15 Gas Block Low Profile

Introduction

Thank you for choosing the AR15 Gas Block Low Profile from Troy Industries. This guide provides essential safety instructions and information to ensure the safe use and installation of your gas block. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a gas block for AR15 and M16style rifles.
- Always follow the firearm manufacturer's guidelines and safety instructions when installing or using this product.
- Inspect the gas block and surrounding components for any signs of damage or wear before installation.
- Use protective eyewear when handling and installing firearm components.
- Keep the gas block and all firearm parts out of reach of children and unauthorized users.
- In case of any malfunction or unusual behavior during operation, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- **Installation Precautions:**

- Ensure the firearm is unloaded before beginning installation.
- Use only the specified tools for installation to prevent damage.

- **Operational Precautions:**

- Always ensure the gas system is functioning correctly before firing.
- Do not use the firearm with a damaged gas block or if there are any signs of gas leakage.

- **Handling Precautions:**

- Always treat firearms as if they are loaded.
- Never point the firearm at anything you do not intend to shoot.

Instructions for Installation and Usage

Installation

1. **Preparation:**

- Ensure the firearm is unloaded and safe.
- Gather necessary tools: an appropriate wrench for the setscrews and any other tools recommended by the manufacturer.

2. **Removing the Old Gas Block:**

- Carefully remove the existing gas block, if applicable, by loosening and removing any retaining screws or pins.

3. **Installing the New Gas Block:**

- Position the AR15 Gas Block Low Profile onto the barrel at the designated gas block mounting position.
- Align the gas port of the block with the gas port on the barrel.
- Secure the gas block using the provided hexhead setscrews. Tighten them firmly to ensure the block does not shift during operation.

4. Final Inspection:

- Check that the gas block is securely attached and that there are no obstructions in the gas port.
- Ensure that the installation does not interfere with any other components of the firearm.

Usage

- After installation, perform a function check of the gas system to ensure reliable cycling.
- Fire the firearm in a controlled environment, monitoring for any unusual behavior or failures.

Disposal Instructions

- Dispose of the gas block in accordance with local regulations regarding metal waste.
- Do not dispose of the product in regular household waste. Instead, check for recycling options or designated disposal facilities for metal components.

Contact Information for Further Support

For any questions or concerns regarding the AR15 Gas Block Low Profile, please contact the manufacturer or your local dealer for assistance. Always ensure you have the latest safety information and updates.

By following these safety instructions, you will help ensure a safe and effective experience with your AR15 Gas Block Low Profile. Thank you for prioritizing safety!
