

# 1911 LPA REAR SIGHT - HARRISON DESIGN & CONSULTING LPA-CUT REAR SIGHT, PLAIN BLACK

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

Rugged, fixed rear sight features a precision machined LPA dovetail for easy replacement of a fragile adjustable sight to make your gun more suitable for duty or carry. Extra-wide, .135" notch provides more light around the front blade to open up the sight picture for fast target acquisition. 50 lpi serrations on the rear face help eliminate glare. Allen head setscrew locks sight into slide dovetail for a rock-solid installation that won't shoot loose. Regulates with most factory installed front sights. Machined from solid steel bar stock with radiused edges that help prevent holster snag. Minor fitting may be required. LPA fits Springfield Armory, Para-Ordnance and other pistols with the LPA dovetail. Will not fit Springfield TRP Operator. U-Notch rear sight features a "U" rear cutout instead of the standard square notch.

# Safety Instruction Guide for 1911 LPA Rear Sight

## Introduction

Thank you for choosing the 1911 LPA Rear Sight by Harrison Design & Consulting. This product is designed to enhance your shooting experience by providing a rugged and reliable rear sight option for your firearm. It is essential to follow the safety guidelines outlined in this document to ensure safe usage and compliance with EU regulations.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Ensure that you are in a secure environment when handling your firearm.
- Familiarize yourself with the operation of your firearm and any accessories before use.
- Store your firearm and accessories in a secure location, away from children and unauthorized users.
- Regularly inspect your firearm and accessories for wear and damage.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the rear sight is compatible with your firearm model (1911 Government, Commander, Officers) before installation.
- Be cautious of sharp edges during installation and handling to avoid cuts or injuries.
- Avoid using the rear sight if it shows signs of damage or wear.
- Do not attempt to modify the rear sight or your firearm beyond the manufacturer's specifications.
- If you are inexperienced in firearm maintenance, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Gather necessary tools: Allen wrench for the setscrew and a cleaning cloth.
- Ensure that the firearm is unloaded and pointed in a safe direction.

### 2. Installation Steps

- Remove the existing rear sight from your firearm.
- Clean the dovetail area to remove any debris or old lubricant.
- Align the new LPA rear sight with the dovetail.
- Insert the sight into the dovetail and ensure a snug fit.
- Use the Allen wrench to tighten the setscrew securely, ensuring the sight is locked into place.
- Check the alignment and stability of the sight before use.

### 3. Usage

- Once installed, familiarize yourself with the sight picture provided by the UNotch design.
- Practice using the sight in a controlled environment to ensure comfort and accuracy.
- Make any necessary adjustments to your shooting technique to accommodate the new sight.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for information on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the 1911 LPA Rear Sight, please refer to the manufacturer's contact information provided with the product packaging or visit their official website.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your 1911 LPA Rear Sight. Thank you for your attention to safety and responsible firearm use.
