

# 1911 EXTREME SERVICE TRIGGER - HARRISON DESIGN & CONSULTING LONG 1911 TRIGGER, SILVER

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

## Delivers A Precise, Comfortable Trigger Pull, Plus Strength & Reliability

High-performance trigger is built for shooters who run their guns hard, yet want a precise, smooth, consistent trigger pull. Solid aluminum shoe gives a comfortable, natural finger position to help prevent uneven pressure that can compromise accuracy. Smooth, curved face with radiused edges won't abrade the finger, and a choice of shoe lengths lets you set a length of pull that concentrates the pull force on the centerline of the trigger. Shoe is permanently staked to a non-flex bow of hardened stainless steel with a mirror-polished surface that eliminates friction with the frame. Fixed, internal overtravel stop lets you set the precise amount of overtravel when you install the trigger, and won't back out over time. Simply file the tip of the stop until it allows the sear nose to clear the hammer hooks and half-cock notch.

## Attributes

- Name: [HARRISON DESIGN & CONSULTING LONG 1911 TRIGGER, SILVER](#)
- Manufacturer: [HARRISON DESIGN & CONSULTING](#)
- Product no.: 100004095
- Mfr. No.: HD103N

# Safety Instruction Guide for the 1911 EXTREME SERVICE TRIGGER

## Introduction

Thank you for choosing the 1911 EXTREME SERVICE TRIGGER by Harrison Design & Consulting. This guide provides important safety instructions to ensure the safe and effective use of your trigger. Please read this guide thoroughly before installation and usage.

## General Safety Guidelines

- **Product Safety:** Ensure the safe use of this trigger by following all instructions carefully. This product is designed for use with 1911 firearms only.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If a recall occurs, follow the instructions provided for returning or replacing the product.
- **Online Shopping:** If purchased online, ensure that the retailer meets safety requirements and provides clear information about the product.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored safely out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the appropriate EU-based contact provided by the retailer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

- **Installation Safety:**
  - Always ensure the firearm is unloaded before attempting to install the trigger.
  - Use appropriate tools and follow the installation instructions carefully to avoid injury.
- **Trigger Operation:**
  - Familiarize yourself with the trigger's function before using it in live fire situations.
  - Do not modify the trigger or firearm in any way that could compromise safety.
- **Maintenance:**
  - Regularly inspect the trigger for wear and tear. Replace it if any damage is detected.
  - Clean the trigger and surrounding areas to ensure smooth operation.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including files, screwdrivers, and safety glasses.

### 2. Installation Steps:

- Remove the existing trigger from the firearm following the manufacturer's guidelines.
- Attach the new 1911 EXTREME SERVICE TRIGGER:
  - Align the trigger shoe with the bow and insert it into the trigger housing.
  - Ensure the shoe is properly staked to the bow of hardened stainless steel.
- Set the overtravel stop:
  - File the tip of the stop until the sear nose clears the hammer hooks and halfcock notch.
- Test the trigger pull to ensure it operates smoothly and consistently.

### 3. Usage:

- Practice dry firing with the new trigger to become accustomed to its feel and function.
- During live fire, maintain focus on trigger control to ensure accuracy.

## **Disposal Instructions**

- Dispose of the product responsibly:
  - If the trigger is damaged or no longer in use, ensure it is not accessible to children or unauthorized users.
  - Follow local regulations for the disposal of firearm parts and accessories.

## **Contact Information for Further Support**

For any questions or concerns regarding the 1911 EXTREME SERVICE TRIGGER, please refer to the retailer from whom you purchased the product for further assistance.
