

# 1911 EXTREME SERVICE TRIGGER - SHORT 1911 TRIGGER, BLACK

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

## Delivers A Precise, Comfortable Trigger Pull, Plus Strength & Reliability

High-performance trigger is built for shooters who run their guns hard, yet want a precise, smooth, consistent trigger pull. Solid aluminum shoe gives a comfortable, natural finger position to help prevent uneven pressure that can compromise accuracy. Smooth, curved face with radiused edges won't abrade the finger, and a choice of shoe lengths lets you set a length of pull that concentrates the pull force on the centerline of the trigger. Shoe is permanently staked to a non-flex bow of hardened stainless steel with a mirror-polished surface that eliminates friction with the frame. Fixed, internal overtravel stop lets you set the precise amount of overtravel when you install the trigger, and won't back out over time. Simply file the tip of the stop until it allows the sear nose to clear the hammer hooks and half-cock notch.

## Attributes

- Name: [SHORT 1911 TRIGGER, BLACK](#)
- Manufacturer: [HARRISON DESIGN & CONSULTING](#)
- Product no.: 100004096
- Mfr. No.: HD-101-B

# Safety Instructions for 1911 EXTREME SERVICE TRIGGER SHORT

## Introduction

Thank you for purchasing the 1911 Extreme Service Trigger Short. This high-performance trigger is designed for shooters who demand precision and consistency. To ensure your safety and the safe use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle firearms with care and treat them as if they are loaded.
- Ensure that your firearm is unloaded before installing or adjusting the trigger.
- Only use this trigger with compatible 1911 models: Government, Commander, and Officers.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for wear and damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation can lead to malfunction.
- Uneven trigger pull may affect accuracy and safety.

### • To Avoid Hazards:

- Follow the installation instructions carefully.
- Ensure that the trigger is securely staked to the bow.
- Adjust the overtravel stop only as instructed.
- Do not modify the trigger or its components beyond the provided specifications.

### • Age and Audience Specific Warnings:

- This product is intended for adult use only. It should not be handled by individuals under the age of 18.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the old trigger according to your firearm's manual.
- Install the new trigger by following these steps:
  - Align the trigger with the bow.
  - Ensure the shoe is properly staked to the nonflex bow of hardened stainless steel.
  - Use a file to adjust the overtravel stop as needed, ensuring it does not back out over time.

### 2. Usage:

- Familiarize yourself with the trigger's feel before using it in practice or competition.
- Maintain a consistent finger position on the trigger shoe to prevent uneven pressure.

- Regularly check the trigger for any signs of wear or damage.

## Disposal Instructions

- Dispose of the trigger and any packaging in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs or hazardous waste disposal options.

## Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the contact details provided with your product or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your 1911 Extreme Service Trigger Short. Always prioritize safety in your shooting practices.
