

FULCRUM ULTIMAGE TRIGGER KITS FOR GLOCK® GEN 1, 2, & 3 - ZEV TECHNOLOGIES ULTIMATE TRIGGER KIT, .40 S&W/.357 SIG

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Precise Letoff, Fast Rest, Fully-Adjustable For Takeup & Overtravel; Drop-In Installation

Convenient kits combine easy drop-in installation with the performance benefits of a custom trigger job to give your Glock® an ultra-smooth pull, clean letoff, and short reset without impairing the reliability of the factory safeties. Fully adjustable for pre-travel and over-travel via two easy-to-access hex-head screws (wrench included), so you can tune trigger feel to your exact requirements for maximum control. Trigger shoe and trigger safety are precision machined from 6061 T6 aluminum billet for precise engagement, smooth movement, and superb responsiveness. Engagement surfaces on the stainless steel trigger bar are mirror polished for outstanding sensitivity and consistency. Basic Fulcrum trigger includes preassembled trigger shoe, safety lever, and trigger bar. Ultimate Kit adds to the Complete kit (Complete Trigger Kit contains the trigger, trigger bar, trigger block, ejector, connector, trigger spring, and a lightweight stainless steel firing pin safety plunger and spring to further refine the trigger pull. Comes with a reduced-power striker spring to produce a lighter-feeling trigger for competition, and the factory-weight striker spring for daily carry and duty use), a skeletonized stainless steel striker with reduced mass and highly polished surface to speed lock time and deliver an even lighter, smoother perceived trigger pull, plus ultra-fast reset so you're ready for follow-up shots.

FULCRUM ULTIMAGE TRIGGER KITS FOR GLOCK® GEN 1, 2, & 3 Safety Instruction Guide

Introduction

Thank you for choosing the Fulcrum Ultimate Trigger Kits for Glock® Gen 1, 2, & 3. This guide provides essential safety instructions to ensure the proper use and installation of your trigger kit. It is important to follow these guidelines to maintain safety and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of the trigger kit by following all instructions provided. This product is designed for use with Glock® pistols and is not intended for any other firearm.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized recall notices. Ensure you have registered your product for safety updates.
- **Online Shopping:** If purchased online, verify that the retailer complies with safety requirements and offers the same protections as physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Store it in a secure location out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to malfunction or accidental discharge.
 - Altering the trigger mechanism may affect the reliability of the firearm.
- **Avoiding Hazards:**
 - Always ensure the firearm is unloaded before installation or maintenance.
 - Follow all manufacturer instructions for installation and usage.
 - Use appropriate tools and protective equipment during installation.
- **Age Restrictions:**
 - This product is intended for use by individuals aged 18 and older.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the following tools: a hex wrench (included), and a clean workspace.
- Read through all instructions before beginning the installation process.

2. Installation Steps:

- **Step 1:** Ensure the Glock® is unloaded and pointed in a safe direction.
- **Step 2:** Remove the factory trigger assembly by following the Glock® disassembly instructions.
- **Step 3:** Install the Fulcrum Ultimate Trigger Kit by reversing the disassembly steps.
- **Step 4:** Adjust the trigger using the pretravel and overtravel hexhead screws to your preference.
- **Step 5:** Test the trigger function without ammunition to ensure proper operation.
- **Step 6:** Once satisfied with the adjustments, reassemble the firearm according to the manufacturer's instructions.

3. Usage Instructions:

- Always treat the firearm as if it is loaded.
- Practice safe handling and storage of your firearm.
- Regularly inspect the trigger kit for wear and tear.

Disposal Instructions

- Dispose of any packaging materials and unused components in accordance with local regulations.
- Do not dispose of the trigger kit in regular household waste. Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For further assistance or inquiries regarding safety, installation, or product performance, please refer to the contact information provided by your retailer or the manufacturer.

By following these safety instructions, you can ensure the safe and effective use of the Fulcrum Ultimate Trigger Kits for Glock® Gen 1, 2, & 3. Thank you for prioritizing safety and compliance.
