# Extended Rubber Recoil Pad Safety Instructions

## Introduction

Thank you for choosing the Extended Rubber Recoil Pad for CommercialSpec CTR®/MOE® Stock. This product is designed to enhance your shooting experience by providing improved shoulder purchase and impact mitigation. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always ensure the firearm is unloaded before installing or adjusting the recoil pad.
- Use this product only with compatible stocks as specified in the product description.
- Inspect the recoil pad regularly for wear or damage. Do not use if damaged.
- Keep this product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the recoil pad is securely mounted before using the firearm.
- Avoid using excessive force when installing or removing the recoil pad to prevent damage.
- Do not modify the recoil pad or the stock it is attached to.
- Be aware of your surroundings when handling firearms equipped with this recoil pad.
- Always wear appropriate safety gear, including eye and ear protection, when shooting.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and in a safe environment.
- Gather the necessary tools for installation, typically a screwdriver or wrench.

### 2. Installation Steps

- Remove the existing recoil pad from the stock, if applicable.
- Align the Extended Rubber Recoil Pad with the mounting holes on your CTR® or MOE® stock.
- Use the existing hardware to secure the recoil pad in place. Ensure it is tight and secure.
- Check that the recoil pad is properly aligned and does not obstruct any moving parts of the firearm.

### 3. Usage

- When using the firearm, ensure that the recoil pad is in contact with your shoulder for optimal performance.
- Maintain a firm grip on the firearm and be aware of your stance to manage recoil effectively.

## Disposal Instructions

- Dispose of the recoil pad in accordance with local regulations for rubber products.
- Do not incinerate or dispose of the product in a manner that could harm the environment.

## Contact Information for Further Support

For further support or inquiries regarding safety or product performance, please contact the manufacturer or the designated EU contact point.

By following these guidelines, you can ensure a safer experience with your Extended Rubber Recoil Pad. Thank you for prioritizing safety.
